LEHIGHTON, PA. SATURDAY, MARCH 7, 1885

Entered at the Lehighton past-office Second Class-Mail Matter,

President Cleveland.

Grover Cl-veland was duly insugurat ed President of these Unite a States at the c.y of Weshington on Writhresday in public place to cheetly limit public ex-last. Siesling of the event, the corres-Hawley, the Republican leaders of the Senate, flanked Cleve's ad and Hendricks in their respective carriages and the soldierly form of Hartranti led the Pennsylvania military, made up of every political faith and strong enough in numbers the flath are some from the Capital to the policy of more policy of the policy of many share in the policy of peace, suitable to our interest. It is the policy of peace, suitable to our interests. It is the policy of peace and allow in posterior and share in particular to our interests. It is the policy of peace and the control of the control to the policy of peace and the control of the control of

special demonstration by medestly life was more familiar to and with the Dem-

and contributions without regard to par ing schemes and unia will occupation.

President Cleveland's inaugural ad dress will be no disappointment to those who had confidence in his strong politie.d sense and his firm grasp of political ship and bringing with them and retaining principles. The singular dignity and habits and customs repagnant to our civili simplicity of the address are not more rhetorically brilliant address, but the recognized in tead of party subserviency the surrender of honest policical belief. closer its language and its spirit are studied the more admirable it will ap-

gured guaranty of good government. But veiled the less tremits in the operation of a government, wherein every citizen has a share, largely depend upon a proper limitation of purely justion zeal and effort and a corpulation or the partian scal and effort and a correct approximation of the time when the heat or the partial should be inerged in the patriolism of the eitzen.

To day the executive branch of the government is transferred to mak burnth a partial to the Cannon Advecage.

ernment is transferred to new keeping. But this is still the government of all his jecule, and it should be none the less an o feet of affectionate solutions. At this

THE CONSTITUTION On this anaperious occasion we may well remew the phodge of our devotion to the Constitution, which, bunched by the founders of the Republic and conservated.

As usual, during the week, a large which the Constitution had its birth. If this involves the surrender or postponement of private interests and the abandonous of private interests and the abandonous phin county, and owner of the great and of local advantages, compensation will be found in the assurance that thus the common interest is subserved and the general welfare alyanced.

and Hudson tow Gross misunanager nearly everybody. People visiting to take the Camp & welfare advanced.

A GOVERNMENT OF THE PROPER.

the laws and the entire scheme of our civil rule, from the town meeting to the State are moving in a solid body against it, but it has a good advocate in the person of Auditor General Solid body against it, but it has a good advocate, an acres as acres as your chief advocate in the person of Auditor General Solid body against it, but it has a good advocate, and ifferent sphere, exercises a like, who is greatly in fayor of the public trust. Nor is this all Every cities ower to the country a vigilant watch and close serutiny of its public servants and close serutiny of its public servants and a fair and reasonable estimate of the dair and reasonable estimate of the different sphere, while cibers said thoughts for it. Brocklyn is something more than a near neighbor, or even a big cousin; she is like.

Broadbrin's New York Letter.

Special to the Carnox Advocave:

I have frequently had occasion within the lists few months to speak of the City of Churches on the other side of the river. Brocklyn is something more than a near neighbor, or even a big cousin; she is like all infatuated with the firm and intensity.

THE DUTY OF ROOMING.

conspicuously notable, as Sherman and ment and development of the resources of

cal faith and strong enough in numbers to fait the avenue from the Capitol to the White House.

Cleveland set in quiet dignly by the sale of Ar hur and gave no encouragement to the appliance of the number of the

THE PINANCES. A due regard for the interests and pres was more familiar to and with the Demoreasary taxation, having a discrept regard to the interests of capital invested and because that the interests of capital invested and workingmen employed in Acorean in the citizens of the city had made the most complete arrangements for the occasion and gave their generous efforts.

The citizens of the city had made the most complete arrangements for the occasion and gave their generous efforts and court find the protected from purious domain should be protected from purious about this trip in my next letter.

ty lines. It was a most imposing and first conscience of the people demands impressive lesson of the sovereignty of the American people and the law-loving words of the government, and their education of the government, and their education of the government, and their education and control of the government, and their education and control of the government, and their educations of the government of the gove sentiment that accepts a radical political revelution with every attribute of pairictic obedience to the government.

The american propose and the law-loving some and evisitation promoted, with a view to their ultimate citizenship, and that polygamy in the Terribories, desiructives, of the lamily relation and offensive to the moral sense of the civil-and world, shall be

remarkable than the well-grounded conviction that underlies its modest but unbesitating declarations, and those who have thought of Mr. Cieveland as an application of the government and the application of business principles to public affairs. As a means to this end civil service reform should be in good faith enforced. Our citizens have the right to protect prentice in politics will be undeceived it ion from the incompetency of public employes who hold their places soiety as perceive how clear an understanding of constitutional Democracy inspires both and the various methods of those who exact the results of the properties of the prop its substance and its phraselegy. It would have been easy to write a more rhetorically brilliant address, but the

EQUAL RIGHTS. PELLOW CITIZENS: In the presence of this vast assemblage of my countrymen I am about to supplement and seal by the cents which I shall take the man festation of the results will of a great and free people. In the extense of their privileges under the places accorded to accorded to the results of their power and right of self gov.

In the administration of a government pleaged to do equal and exact justice, to all the ranking in their rights or their security in the enjoy-ment of their privileges under the Constitution and discussion as to their figures for their power and right of self gov.

In the administration of a government pleaged to do equal and exact justice, to all the past ten days thousands of people back arrived here to attend the Exposition for functals, child, of Jan and also to see the great Mardi blows. The Coroners of New York have on Wodlessen as to their fitness for the places accorded to the results as to their fitness for the places accorded to the place In the administration of a government Amid the din of party strife the people's choice was made, but its attendant circumstances have demonstrated anew the strength and safety of a government by the stated to mun. And let us not trust to be clearly appears that our democratic principle needs no pology and that in its fearless and saithful application is to be found the strength of most of sever meant. But yearled in our country's history, let us in

Hanni-Buns, Pa., March 3, 85. Two important bills along with the innumerable number introduced are the is ar the animostics of political strife, the b.U-riess of partisan defeat and the cultural literature planted by an ungradging acquiseones in the popular will and a sober, conscientions of Ledigo, and right heartily should be concern by the seneral west. Margorer, if consecutor the general weat. Moreover, if from this hour we cheerinity and honestly alteriors all rectional projudice and distrust and determine, with many confidence in one snother, to work out harmoniously the many from the small boy by the reading of this.
