#### \$500,000 A YEAR.

Statement of the American, National and United States and Canada Express Companies, Troy, New York.

Companies, Troy, New York.

The strength of Rome lay not in her multiinde, our in her grain-haden fleets. These
were elements of strength, but her neverfa ling resource lay in the self-tor-trol and
discipline of Roman soldiers. Discipline—it
is the very soul to all the wonderfal meaning
possessed by the word 'vereran' in the express
humans. "Thirty-three years," he sold to
y-ur reporter, "Iv's stood at this desk." It
is the discipline of yours of experience which
gives him the costion he holds in the trust
and extens of these three great corporations,
we have a husiness or \$50,000 a year, and
I'va seen absent trom this office hardly a
month in all that time, although I must confrest that many times I've worked here when
suffering great pair, for I have been traubled
all my life with althousness and dyspepsia.
My system had following so reduced and weak
that I had no appettle, and my digestion
whelly distributed. I've tried virtual remadies but almost two years used I happened to
lit upon Jir. Konnedy's FAVORITE, REMEDY. After using only one bottle or so I
began to level stronger in every way. The
great difficulty has born with my algesti a,
but this seems to regulated by pricerty. I have,
sir, greats faith in Jir. Rennedy's FAVORITE, REMEDWANDY. I have besuch and given a great
ical of it is the poor around here; these, you
know, who have no meaney to buy medicine of
any kind, for there are a great many troubled
with billoms diseares and unifer on without
at "I have seems to read a great many troubled

### FARMERS' COLUMN.

Poultry Suggestions. If they are cared for, and always have clean, and wholesome quarters and not crowded, poultry will always be healthy. If a fowl merely acts a little "cranky," do not imagine that it is sick, and commence stuffing it with drugs; simply remove it to a pen some distance from the fleck, and let the follicles to produce a new and luxuri sick, chop off its , head and burn it. For eradicates dandruff, and is a most harmless cholers, a strong solution of hyposniphite of and agreeable dressing. ends, given three times a day, in tenspoonful doses, is probably the best remedy we have. For gapes, dip a feather in turpentine, and insert it into the windpipe. One yet. application will generally cure; two are sometimes necessary. Dip scaly legs in kerosene two or three times. A little solpher mixed with the filed once a week in winter, prevents packing of the, and irregularities of the bowels, caused by over eating, and the constant production of eggs. Gravel and coarse sand are necessary for the direction of food. Crushed bones,old plaster, Fifty hens will est and trample down al half as much grass, if yarded upon it, as will krep a cow. A coop of small chicks in the garden will destroy an enormous number of bugs and worms. Do not permit your poultry to forage upon you neighbor's farm; it is a mean, contemptible trick, and often practised be men who

would resent it if accused of petty thievery. Durks and geers prefer to have their nests on ground; some will not lay anywhere else. Place their peats in rows slope ene si le of the bouse, and seperate them with thin board partitions .- Poultry Exercu in Am. Agriculturist. An Editor's Tribute.

Theron P. Kester, Editor of Ft. Wayne, Ind., "Gazette," writes: "For the peat five years have stways used Dr. King's New Direcvery, for coughs of the most severe character, as well as for those of a milder to po. It never fails to effect a speedy cur-My friends to whom I have recommended t speak of it in same high terms.
