Mr. Sutton offered a resolution fixing May 6th as This resolution was referred to the same umittee as the one above On Wednesday evening the House met for

members. Many eloquent speeches were made and the praises of the deported mem-bers were sounded in the most eloquent terms, by those members who were asked to speak in their honor.

Speaking of apportionment to a member the other day, he said to me that it is now generally conceded that if this legislature does not make an apportionment before they adjourn, the Governor will call an extra seasion and demand of them again to perform their duty. In that event, remarked the Legislator, I will resign. There is not m doubt now but that an apportionment will be effected, a bill will certainly be passed but question. He has already signified his in-tention of vetoing any bill that does not divide the districts into compact and contiguas territory and it is not very likely that the bill that will be passed will comply strictly with the constitution in this respect.
