The Baltimore Anguican says: The choicest selection of copyright American humor and one which will delight every reader is now being distributed fre throughout America. Nearly all the humorasts and out America. Nearly all the humorests and comic artists of the country are represented in it, among them "Bill Nye;" Robert J. Bardette, Burlington Hawkers; F. H. Gassaway, "Degrick Dodd," San Francisco Post; C. B. Lewis, "M. Quad," Datrait Francisco, "Superpendyto," Onte P. Read, Arkanaw Traveler, R. K. Munkitrick of Pock, and other. The book in question is the unique annual riferery production of The Charles A. this place.

Rey. Steckel, of Slatington, preached and rock is cracking at all points and it is considered dangerous for any one to venture close to the point where the gangways are can be the cave in a not exist. The collevery was not an active and the stream and say they who have lost their lives were engaged in timbering. Had the mine been in full operation over the St. Jacobs Oil Family Calender and Book of Health and Humor for 1885, While it has been gotten up primarily for advertising purposes, it is so replete with advertising purposes, it is so replete with advertising purposes, it is so replete with the first of the ten. The operators and superintendent are doing all in their power rights matter free from advertising reference that the burines feature is almost a secondary one. Twelve millions copies are issued for gratuitious distribution, being delivered from house to house in large cities, and in smaller towns furnished through the medium of druggists. It has been printed in a number of languages and for different countries. The press of Great Britain Copied and Enlarged in all sizes from card to life size, viz: Oil Portraits, Water Colors, praising the sacrit and originality of its contents. The illustrated sketches are interpersed with testimenials as to the Pastels, Crayon, India
