Special to the CARBON ASTOCATE We are fast approaching the season when all who can afford it talk of getting out of town; and there is not a fashion-able minister, from the Battery to Har-lem Bridge, but has a tour laid out for Second Class Mail Matter.

Second Class Mail Matter.

Judge Andrew Wylle, Associate of the Supreme Coart of the District of Columbia, Saturday tendered his resignation to the President, to take effect on the appointment and qualification of his successor.

The Commissioner of Peusions Tuesday directed the suspension at the Philadelphia agency of 102 pensions which have been draw although the peusioners are dead. In some cases, the Commissioner was the persons in whose names are dead. In some cases, the persons in whose names are dead. In some cases, the persons in whose names are dead. In some cases, the persons were drawn have been dead since 1871. He has also directed the suspension at the richer more think of breathing the atmosphere of Brooklyn in July, August and September than he would of voting for Mr. Being Rev. DeWitt Talmage gees with his entire family. Mr. Beecher would no more think of breathing the atmosphere of Brooklyn in July, August and September than he would of voting for Mr. Bridge, but has a tour laid out for the melting days of summer, which will out tour tour the melting days of summer, which will not take been guaranteed to these by the Constitution. Both of the members from Carbon voted in favor of the bill.

The Commissioner of Peusions Tuesday directed the suspension at the Philadelphia agency of 102 pensions which have been dead since 1871. He has also directed the until gas, the menting days of summer, which will not take with the method to theme by the menting days of summers, which will not a tay the container of the melting days of summers, which will not the method of the members from Carbon to the bill.

The Commissioner of Peusions Tuesday directed the suspension at the Philadelphia agency of 102 pensions which have been guaranteed to theme by the Constitution. Both of the melting days of summers, which will not a tay the container of the melting days of summers, which will not a tay the container of the melting days of summers, withe he is the container of the melting days of men coming out looking over-worked and weary, and don't wonder that they drop off at thirty-five, forty and fortyfive, not many of them reaching fifty or over. Now that all the great dailies are publishing a Sunday edition there is no respite for them. Toil, hard and unre-lenting, from one year's end to the other. This is the fate of the Scribes—the Pharisees fare better. When the summer comes, instead of having to pay their own fare, as an editor does, the congregation makes them up a good fat purse, and for three months they have nothing which be rendered no equivalent except bis name; and during that period of bis absence he naually fills up his time lec-

most important bills that were up for notwithstanding its immense size it can

asm, was to be looked for, and will this bill should be passed, but yet they for you must know that fully one-third. strengthen his hands. It is only one of several signs of war. The news from Russia is no less warlike. Apart from all incidental complications, too, war is indicated by overshadowing considerations with the Governor about the different toos on both sides. If Readowl descriptions are still demanding and mythology in vain for the origin of this internal custom, but I can floot policies to it. The genuine old New Yorker tions on both sides. If England does not fight now, when she has to fight it will be at a graver disadvantage. Russia has all the chances in her favor now that she can ever expect. Hence the overwhelm-sale the care of the established institutions. The trouble looking-glasses, dislocated tables, frac-now is that there are so many small in-

week. Hundreds of them were the west vegetables, is likewise very profitable, as Proving generally, and even those who week. Hundreds of them were the west side tenement houses—they are perfect hundred and fifty people live in a single tenement house. Take it in quarters in the Northwestern pert of the State, where the magnitude and influence the press of the Northwestern pert of the State, where the magnitude and influence the press of the Northwestern pert of the State, where mixed farming is proving a great success. Buddenseik built many of these rookeries, and if one of them should tumble, hundreds of lives would be sacrificed; perhaps this might be tooked upon, not as the worst kind of a calamity, but we don't want them killed in that way.

don't want them killed in that way. Still it is dreadful to think of, that hundreds of lives may be excerificed to the cupidity of one man, who has grown rich in this nefarious business. One perjured rascal who was used as the cate-

and one speech in his own State (for which see irons of the country, especially the to commit perjory before he could get his building permit. The fault lies with our system of inspection. A couractor like Buildensetk has a contract for \$100, 000. As he puts up the buildings there 18 the Buildenseth has a contract for \$100.

O00. As he puts up the buildings there is a clear profit of \$95,000. This cau only be done by connivance of the building inspector. These inspectorships are the rewards of political service. The contractor knowing his man, boldly of first him \$1,000 or \$2,000 and the service of many of the great as its collapse.

fers bim \$1,000 or \$2,000, and the result is that the buildings are passed with ne impection at all. This system of p litical rewards has always prevailed in New York. Here was proclaimed that immortal sentiment, "To the victors belongs the spoils:" we may moralise and the embodiment of codish aristocracy, is a long the spoils:" we may moralise and the embodiment of codish aristocracy, is a longs the spoiss, we may moralize—we firm believer in royalty and the toadyism IJ Sa's, may theorize,—but until the world is pertaining thereto, and generally is any very much altered, and men do exactly thing but a Democrat in the true acceptation of the state of what they ought, the majority of think-ing Americans will coho the sentiment of General Marcy.

President Cleveland is a square man,

and as the world goes, he is an honest bear up against, passed an act prohibiting man. Now, wishing to save the country map. Now, wishing to save the country and to make eyerything safe, is it not altogether probable that he would see it exactly in the line of duty to turn out the rascally Republicans, and put in good houest Democrats. If we are not here for the offices, what in — are we here for, was the declaration of a patriotic gentleman from Texas. There is no been transferred to the President, who has been transferred to the President, who has use disguising it, the offices are the objective points, after all. The concealment of the builder Buddenseik caused persons companies or corporations who are a flutter among his bandsmen; it would pay him to jump his bail. The fin-weather which continued through the week has given an impetus to business that is quite refreshing; even stocks will take such measures as shall be neces took a jump under its infinence, so that Wali Street has been on a broad grin. Let those laugh who win.

New Orleans Letter.

FROM OUR SPECIAL CORRESPONDENT. NEW ORLEANS, April 21, 1885.

Among the impressive paintings in the Art Gallery-"Waiting for Monteguma" by Taysemier. It derives its interest from the pathetic tradition of the simple Aztec people, who are here represented as looking forward to the coming of him who was to be their Messiah, a dream rudely broken and dispelled by the conquering and mer cenery Spaniard. It is somewhat remarkable that artists in all ages have drawn heir most interesting subjects from the reigious traditions of the people, and as in "The Last Supper," the work before us in the way that he pretends that he was, illustrates one of the most affecting incidents or traditions of a people who, untilligious race," are believed to have lived in the devoted practice of the best principles was invested. Besides this, did not Grant of all religion, observing the Golden Rule, sign the guaranty to the genuineness of and even repaying the vindictive and monthirsty invaders with offices of kindness and mercy. At least this picture impresses the tions, even after the bank had demonstrated spectator with such an estimate of the its inability to keep its head above water? character of the Antecs.

Far different in scene and sentiment is American artist. Here nower, malesty and beauty are blended; mountains of seething waters, whose irrisistible plunge over the senator or officer about the Hill who pays a dollar of mileage money, from the time are and again, and with a thick Already have the results of next fall's elections become a live topic, that in New York leading in importance. The Republicans are preparing to take on appeal from last fall's result and have on appeal from last fall's result and have to take all the mileage money he is entitled to.

a dollar of mileage money, from the time he comes here at the opening of the session until he leaves at the close, yet I suppose there is not one who will refuse to take all the mileage money he is entitled to.

a c air time and again, and with a linex leather strap, and som-times with a rope, and study them, is always upperment in literally cut ber little back to pieces. WASHINGTON, April 25, 1885. The appointment of Edward J. Pheirs. Esq., to the Court of St. James, though at pass for a contract for \$40,000, had only been in the country three years, and had never earned more than a dollar and a to elicit some very unfavorable criticisms quarter a day in his life.

Buddenselk was in such bad odor with the building department that they would not grant him the requisite permits to build; in this dilemma be employed a lot of dummits—about one hundred and lot of dummits tion of the word.

The last Corgress, under a pressure public sentiment that it could not longer the fencing in of the public domain and the fencing in of the public domain and requiring the removal of all fences now exissued his proclamation announcing that persons, companies or corporations who are maintaining fences upon the public lands of the United States must remove them at once, in default of which the President sary, under the law, to remove or destrothem. By the fifth section of the law sweeping authority is conferred upon the President, to employ both civil and military force sufficient to wipe out the last restige of these unlawful inclosures. The people of the country will hail with em nent satisfaction the tidings that the excentive has made up his mind to enfor

the statute. Now that the cancer that Gen. Grant never had is expected to get well, it may net be out of place to make reference to the unbosoming of James D. Fish, who promises to make a somewhat protracted visit to a New York penstentiary, for the hand he took in the downfall of the late Marine Bank. Fish declares that Grant was privy to every one of Ward's rascally upon which Ward made such enormous returns where so small an amount of capital mit Ward to use his name to accomplish When the excitement over Gen. Grant's il Mignet's "Niagara," the large canyas painting of an American wender by an American wender by an area to interesting chapters concerning this great public crime.

[COMMUNICATED.]

"Those Republicans who complacently voted the Prohibition ticket last year" arstill very complacent and hopeful Prohibi tionists notwithstanding the appointment of Jacob Mueller as Consul General at Frankfort-on the-main. The Coal Gazette

of April 23 says: "He is a z specimen brick of Democrati ule for 'Prohibitions' to contemplate." Is this man Mueller a "brick" because he left the Republican party or because of his anti-prohibition sentiments, if the latter he must have been a "brick" as Republican Lieutenant Governor of Ohio, and is simp ly a specimen of a lots of "bricks" still r maining in the Republican party, as for instance beer-loying editors, whiskey poliwho by dropes vote the scum and fifth of every community, and as long as this class are the special licensed pets of the Repub liesp party the Gazette will find it hard work to get partizen prohibitionists to regret the vote cast for Jno. P. St. John. Now we have just enough confidence in the temperance pretentions of the editor of the Gazette to believe that to leave the Republican party is a greater sin and consultate a man a "brick,"than to love beer and to en tertain the most extreme anti prohibition

Jacob Mueller, the auti prohibitionist and exRepublican Lieutenant-Governor of Onic a "brick," but one thing is sure that the pretenses of the editor of the Gazette touch 1 and gain Health, Take ing prohibition are more hypocritical than pious. This is characteristic of his party.

Complete, Bone Fertilizers! The undersigned has just received a car lead of the Allentown stanufacturing Com-pany's justly celebrated

Complete Bone Phhaphate, can of the very best fertilizers known to agriculturists, and highly recommended by all who have used it, which he will furnish at \$25 per \$00. He has also a lower grade manufactured by the same firm, called the

Lehigh Phosphate, which he will furnish at \$27 per ton. It is not claimed that the "L-high" is equal to the "Complete Bone Presphate," but that it will stand the test with any other low priced fertilizer in the market.

Also, on hand, a quantity of the celebrated NOVIA SCOTIA AND PLASTER in sacks. This is claimed to be the best plaster in the market, and farmers should give it a trial. Orders by mail will receive prompt attention. M. HEILMAN,

DIVORCES ABSOLUTE DIVOR-residing throughout the United States and Canada for discrition, non-support, intemper-ance, cycelly, incompatibility, etc. Advice res. State your case and address. ATT RNEY WARD, World Building, 1637 Breadway, New York.
