That Tired Feeling

When the weather grows warmer, that extreme tired feeling, want of appetite, dullness, languor, and lassitude, afflict almost the entire human family, and are the result of the impure state of the blood, the deranged digestion, and the weak constitution of the body, caused by its long battle with the cold, wintry blasts, all call for the reviving, regulating and restoring influence so happily and effectively combined in Hood's Sarsaparilla.

Hood's Sarsaparilla

A bottle of Hood's Sarsaparilla, and soon began to sleep soundly; could get up without that tired and languid feeling, and my appetite improved. Hood's Sarsaparilla did me a great deal of good. I had no particular cleaner, but was tired out from overwork, and it found me up." Mrs. G. E. SIMMONS, Cohasset, N. Y.
