THE State Convention of the Women's Christian Temperance Union, of Georgia has passed resolutions calling upon Con-gress to treat localities where prohibition is in force as prohibition territory and to exclude it from the operations of revenue legislation. The name of Dr. Steele is a further guaranty of the value and accuracy of the "Hygienic Physiology," for high schools. The "Temperance Physiolo-gy," or "Hygiens for Young People," for the intermediate school, is prepared under the direction of Mrs. Mary H. Hunt, Superintendent of the National Department of Scientific Instruction of the Women's Christian Temperance

SEVERAL thousand houses, ranging in size from eight to twenty rooms, and provided with everymodern convenience, are to be built in Philadelphia, besides a number of French flats, several large and costly churches, and a half dozen or more public institutions.

THE fluctuations of feeling in Russia and England from day to day are as violent as the alternate chills and heats of malarial fevers. One day the war feeling is at its height, the next there is a desire for peace at any price not inconsistent with national honor.

PRESIDENT CLEVELAND has appointed George V. N. Lothrop, of Michigan, minister to Lussia. Boyd Winchester, of Kentucky, minister resident and consul general to Switzerland, and John E. W. Thompson, of New York, minister resident and consul general to Hayti.

HARVEY M. MUNSELL, he eleventh juror in the trial of Richard Short for the attack on Captain Phelan, in New York, has been arrested on the charges of misdemeanor and perjury, it being alleged that during the trial he was in consultation with Short and Pat Joyce.

Dr. A. L. LOOMIS is credited by the Ganada Lancet with saying: "A man can take two or three glasses of stimu-tan take two or three glasses of stimulants daily and may continue the habit, for, perhaps 25 years without harm ints daily and may continue the motor for, perhaps, 25 years without harm, but when this man reaches that period of Hfe when the vital powers are on the de-cline, he suddenly finds himself old be-fore his time, for he has all these years

ii pedestal. It seems as if we would never get

It seems as if we would never get through with rascality. The Scoville trial in connection with Day & Lord has unearthed perjury, forgery, lying, steal-ing, breach of trust, grand and petty larceny, and lots of other crimes, too numerous to mention. Speth, the man-ufacturer of the forged plates for the Mexican bonds, and who figured in the bogus railroad tickets, who also made the plate which played so conspicences a which have been noticed and objected to in several other works. I find it cov-ers more matter that I think should be taught in the elementary lessons on life and health in the schools than I have found in other works with similar ob-jects which I have had occasion to ex-amine." Within the compact of two

FROM OUR SPECIAL CORRESPONDENT.

Among the United States exhibits, that of the Fish Commission is of interthat of the Pish Commission is of inter-est to the whole people. If, as some-times claimed, fish is brain food, there can hardly be too much of it, and it ought to be very liberally distributed among politicians, statesmen and news-paper correspondents! The exhibit here represents the entire process of fish

ONE DOLLAR.

apr. 18-1m*

The committee who was to investigate the Connellsville Hospital affair have prepared their report, which was read before the House on Thursday morning. It sets forth in an elaborate manner the way in which Dr. Buttermore carried on his rascality. Immediately after reading the report it was referred to the Attorney General, who will take the matter in

sees fit sees fit. The bill providing for the burying of desitiute veteran soldiers was asked for by the Grand Army men, and was put through by their exertions, was vetoed by the Governor. The veto message was read before the House on Thursday morning and created considerable dissat-infution among the months.
