A Torrible Case of Scrofula Qurad by Hood's Sarsaparilla

"In the winter of 1879 I was attacked with abscesses over and around my neck and throat, continually exualing an offensive mass of continually exactled in offensive mass of bloody matter disjusting to behold, and almost intelerable to endure. It is impossible to fully describe my sufferings, as the case was complicated with Chronic Catarrh. After three years of misory, having been treated by three physicians. I was worse than ever. Finally, on the recommendation of W. J. Huntley, druggist, of Lockport, I was induced to try Hood's Sarsaparilla. And now, after having taken twelve months, the acroillous cruptions have entirely censed, and the abscesses have all disappeared, except the unsightly sears, which have delive becoming smaller by degrees, and having taken trealve bettles, within the last twelve months, the seroidlous eruptions have entirely censual, and the abscesses have all disappeared, except the unsightly scars, which are deally becoming 'smaller by degreea, and beautifully less,' I do not know what it may have done for others, but I do know that it may have done for others, but I do know that it may have done for others, but I do know that it may have done for others. GENTS:—I feel it my duty to say respecting Burdock Blood Bitters, that it is the best medicine I ever took. I suffered two or three years from stomach troubles and dyspepsia as well as from liver an i May 30, 1885-19 kidney complaint. I was not able to at-tend to my business. My wife was afflicted in much the same way. We read of your Bitters in the papers and made up our minds that we would try them. The result is my wife and I began to improve at once. and I am now able to do more hard work than before in ten years. It relieved my kidney troubles as well. We both wish you, the makers of it, Godspeed, JOSEPH LANDON.
