LEHIGHTON, CARBON COUNTY, PA., SATURDAY, JUNE 20. 1885.

'drawn," that's what it was, for I was tional friend grasping my cibow and acimpelled by some strange influence to companying me-his grip was a tight keep alongside my companion, whether one, too,

> spell upon him-the "spell operates to and the boat leaves shortly." he contrary, I suppose.

PROMPT, SAFE, SURE ac, and it was not dark, a dull gray, "the lake was reached, when my compulling me down beside-a physical effort on his part, and not one of attrac-

tion, magnetic or otherwise. No sooner were we seated than he

maybe too "dry." At all events, he dismissed the mist without ceremony, and, for the first time since we set out on our walk, spoke not for the space of forty seconds.

Suddenly he broke the silonce with a remark that came from his lips as suddenly as the flash and report of a gun, and, if not so sounding as the report, quite as startling to me.

"Patsey!" (I never shall forget how "short, sharp and decisive" was the pronunciation of my christian name) "are you fond of sensations? I tell you we'll create one in the morning, you bet! When they find us both laid out here, dead as herrings, in the morning, I rather think there will be something of a sensation-eh?"

He paused then, and it dawned upon me that my companion was a lunatic. And when, the next moment, I saw in his right hand a good-sized revolvernone of your little vest-pocket affairsthe broad sunlight of conviction, so to speak, forced itself upon me that my position was a ticklish, if not a perilous

A cold sweat started out all over me -the condition which conduced to that sweat saved my life, perhaps; for the opposite, which would have prompted me to spring to my feet and fly, would very likely have precipitated matters to a serious if not fatal conclusion. My hair stood up, I am certain, and my tongue cleaved to the roof of my mouth as if glued there, while my heart beat a tattoo on my ribs.

I suppose you think I was frightened.

whom I couldn't "place," at that hour, how crisp and firm the utterance! and can't answer even now. Perhaps tion in the morning will be tremendous,

morning sensation. See it?"

"This will do better, Patsey. It is given the name of Spring.

walked till we reached Central Park, heart, or cut your throat, just as you connect Mr. Summer with the family, at his invitation, to partake of the in- blood-freezing from its diabolical earn- Mrs. Leon's father, and that the match estness and calmness. "That is better than the pistol, my times as he knows her husband is absent.

propose something better than either; just gone from dinner. Mrs. S. Leon let us both drop ourselves in the lake is looking anxioxsly from the window. here. There'll be a sensation, sure, Fannie and the child accompanied Mr. when they fish us out. What do you St. Leon to the door, where Felice
