John B. Buspis, State Senator from

JAMES D. FIRE, late President of the Marine National Bank, New York, was sentenced to ten years imprisonment in Auburn Prison last Saturday morning by Julge Benedict in the United States Court

ing O'Donovan Rossa some time ago. and acquisted by the jury on the ground of insanity. A motion was made to which was o posed by her counsel, who asked that their client be perm tte! to return to ber own country and be placed in an institution there.

John's grief is manifest. If all the rebbe put on the pension roll,

GOVERNOR PATTISON Tuesday vetoed ing the amendment of and proceedings hap : like him. upon municipal claims in cities of the first class. The Governor says that the provisions of this measure are exceed-Ingly dangerous. Among the other bills which he has killed are these: To enable fire insurance companies to insure against loss by lightning, windstorms, tornadoes or cyclones; a supplement to the act regulating lateral railroads. The latter is defective. Two bills are vetoed because they are substantially duplicated by acts approved by the Governor. The other bills vetoed are local in their character and are disapproved for constitutional reasons.

months ending Tuesday are reported by R. G. Dun & Co., of the Mercantile Agency, as 6,004 in number, as against 5,510 for the first six months of 1884an increase of 494. In l'abilities, how ever, there is a marked diminution, the amount being \$74,000,000 for the first fact is dwelt upon that an increase in failures of less than five hundred among the number of traders reported by this agency, now over one million, is not surprising, while their diminishing importance, as shown by the low aggregate and average of the liabilities, is commented upon as indicating a more favorable condition of things than existed

by the scientific world generally.

re searched each day for all that is good og, and from almost every point a plendid view of the lake is had. The out house and does of the two steamers must needs be very ambition force of habit.

The mineral water from the famous "Oakton Springs," close by, is kept constantly at the hotel, and drank almost niversally by the guests

There are some very "peculiar" people visit summer hotels, and in my next letter I will give you a short pen picture of some of them. Yours truly, W. D. B.

THE PHILADELPHIA CAMP. N. Y. Sun: The most striking feature

of the so-called National Military Encampment now going on in Fairmount Park, is that the troops assembled there There are soldiers from Michigan but none from Maine. Kentucky finds no difficulty in sending four companies of infantry and a light battery, but Conneetlent does not furnish a squad. The organized militia strength of Massachusetts is twice as great as that of Missouri, but the former State has thus far had nothing to spare for Fairmount, while St. Louis contributes two of its

military exercise and entertainment very

their own methods of drill and discipline in its favor until some obvious advantage in so doing shall appear.

This decision is wise and sound. Taking, for example, New York and Brooklyn, many of their regiments have already been, or by turns will be, in camp at Peckskill, this year. The others, whose tour of duty at the State encampnent will come next summer, would doubtless prefer reserving their energy for that occasion; and meanwhile they have their regular duties to perform in drills, target practice, qualifying as

The Philadelphia camp is really only

these exhibitions.

That miscellaneous competitions will take the place of the regular State encampments in the North and East is not to be supposed. There will be honors and prizes in plenty to gain in Philladelphis, but neither privates are leaves are Thousands of families and individuals from every part of the Union, annually spend the hot summer months in Wisconsin, where they regain their lest vitality; where the children, released from the close school rooms or the sickly city, romp and play on green grass or sandy beach, while their parents leisurely swing in hammocks, go loating and fishing or granning; where the elevant dives part in these competitions. It is also successful in the aggregate numerical attendance of troops; and since the be taken into the programme, possibly on that occasion some Pennsylvania regiments may swell the pageant.
