A DEADLY TORNADO

The Philadelphia Times of Tuesday says of Monday's tornado, which struck that city and Camden, N. J.: A huge, spiral-shaped cloud that reached from the black, frowning sky to the river's surface, that accompanied a succession of heavy showers of rain that fell during the day in Monday's storm, burst at twenty minutes after three in the aftermoon and great torrents of water and blasts of hot wind belched out over the works of the Pennsylvania Salt Company, below Greenwich Point, sweeping roofs away as if they had been dead leaves and tifting a train of loaded freight cars from the railroad track. BILIOUSNESS.

Billious symptoms invariably arise from indigestion, such as furred tengue, vomiting of bile, giddiness, sick headache, ir-regular bowels. The liver secretes the bile and acts like a filter or sieve, to cleanse impudistressing symptoms. Biliousness may be properly termed an affection of the liver, and can be thoroughly cured by tho grand regulator of the liver and biliary organs, BURDOCK BLOOD BITTERS. Act upon the stomach, bowels and liver, making healthy bile and pure blood, and opens the culverts and sluiceways for the outlet of disease. Sold everywhere and guaranteed to cure.
