from yes the cause of disease, and is pulse to prove the cause of disease, and is pulse to pu At removes the cause of disease, and the patient restorers his health.

It is the great Blood Purifier and Lite-giving Franciple; a Gentle Purpsitive and Touic; a perfect Henovator and Invigorator of the system. Nover before in the history of the world has a medicine been compounded possessing the power of Vinnoan Batteria in healing the sick of every disease man is held to The Alternative, Aperient, Disphorette, Carminative, Nutritines, Laxative, Sodative, Counter-Irritant, Sadoride, Anti-Billons, Solvat, Disrette and The Section of the Se

Interests exceed those of any other medicine in the world.

No person can take the Biversa according to directions and remain long unwell, provided their bones are not destroyed by mineral poten or other means, and the vital organs wanted beyond the point of reput.

Hillous, Remittent, intermittent and Malarial Fevers, are prevalent throughout the United States, particularly in the valleys of our great rivers and their vast tributaries during the Soumer and Antum, especially during seasons of unusual heat and dryness.

These Fevers are invariably accompanied by axtensive derangements of the stomach, liver and bowels. In their treatment, a purgative, exerting a powerful influence upon these organs, is absolutely accessers.

and bowels. In their treatment, a purgative, exerting a powerful influence upon these organs, is absolutely necessary.

There is no cathartic for the purpose equal to Dr. J. Walken's Visnoan Birrams, as it will apsedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the lawer, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with Vinenau Birrams. No epidemic can take hold of a system thus forcarned.

To epaismic can take now or a system than forcermed.

It Invigorates the Stomach and stimulates the torpid Liver and Bowels, cleansing the blood of all impurities, imparting life and vigor to the frame, and carrying off without the aid of Calornel, or other minerals, all poisonous matter from the system.

Dyspepsin or Indigestion, Headache, Fain in the Shoulders, Coughs, Tightness of the Chest, Pheumonia, Disduces, Bad Taste in the Mouth, Billons Attacks, Palpitation of the Heart, and a hundred other painful symptoms, are at once relieved by Vineous Britans. British. For Inflamigatory and Chronic

For Inflammatory and Chronic Rheumatism, Gout, Neuralgia, Diacases of the Blood, Liver, Kidneys and Bladder, the Bitters have no equal. In these, as in all constitutional Diseases, Walkink's Vermons Bitters has shown its great curvilve powers in the most obstinate and intractable cases.

Micchanical Diseases,—Persons engaged in Paints and Minerals, such as Flumbers, Trpe-setters, Gold-besters, and Minera, as they advance in life, are subject to Paralysis of the Bowels. To guard against this, take occasional doses of Virkoan Bitters.

NKIR Diseases, Scrotius, Sald-head, Sore Kyes, Erysipelas, Rich, Scurfa, Discolorations, Rumors and diseases of the Skin, of whatever appears in nature, are literally dug up and carnames and diseases of the Skin, of whatever name or nature, are literally dug up and car-ried out of the system in a short time by the

Tape and other Worms, lurke system of so many thousands, are ly destroyed and removed. No sys-medicine, no vermitinges, no anthei-will free the system from worms like minties, will free the system from whites, will free the system from when the state of the system from which when the system from the system and the system is the system of the littles, when the system is the system of the system is the system of the sys

Cleanse the Vitiated Blood when its impurities burst through the skin in Erup-tions or Sores; cleanse it when obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will foll you when, and the health of the system will follow. In conclusion; Give the Bitterwatrial, I will speak for itself. One bottle is a better guarantee of its merits than a lengthy adver-fiscement.

FOUR EILLED IN A MINE. CRUSHED UNDER A SHOWER OF ROCKS

SHAFT IN WILKESBARRE OVER-WRELMED BY A MASS OF LOOS-ENED STONE WHILE DE-

SCENDING IN THE CAGE WILESBARDS, Sept. 2. A terrible accident, resulting in the death of four men and the serious and perhaps fatal injuring of two others, curred this morning at the Onkwood shaft of the Prospect Colliery, belonging bloody matter disgusting to behold, as to the Lehigh Valley Coal Company, in almost intolerable to endure. It is imposthe northern part of the city. About to fully describe my sufferings, as the co seven o'clock this morning PatrickSmith, John J. Martin, John Gallagher, Patrick McGroaty, William Harrington, Finally, on the recommendation of W. Patrick Purcell, James Peterson and Huntley, druggist, of Lockport, I was indec-Thomas Jenkins took their places on the "cage," to make the descent of the shaft for the purpose of going to work. The shaft is seven hundred feet deep and ten men are let down at a time. When the men had almost reached the bottom of the shaft a loud, rumbling noise was heard overhead and immediof heavy rocks, some weighing as much three hundred pounds each, crushing in the top of the cage and breaking through men outright and injuring the fourth so

THE INJURED.

Patrick Smith, bruised in back and head.
Fatrick Parcell, badly cut in the back; probably fatally injured.
Patrick Kearney, bruised in the hip and on the right leg; in a precarious condition. When the news of the accident became known there was great excitement men. women and children flocking to the scene. The relatives and friends of the vention. dead men gave vent to their feelings by expressions of deep grief and sorrow. After the accident a force of men were put to work clearing away the shattered wreck of the carriage, which had been drawn to the top. Many of the iron bars and casting belonging to it were shattered and one of the sills, a stick of oak timber about eight by twelve inches in size, was broken, as was also an iron rail of the track laid upon the cage for the mine. A piece of the rock lay upon the ground near by, which had been of the party. While the anthracite coal trade is at drawn up on the cage. This piece
