-War Secretary Endicott's residence in Salem is an ancient-looking, unpretentious house, with little window panes and no ornaments.

In gathering wild flowers, autumn leaves, or pienicking in the words, we are more or less exposed to danger from poison up by ivy or other wild vines and shruts. The poison is under certain circumstances readily absorbed by the blood, and palnful sweelings or eruptions are caused. Such affections Hood's Sarsaparilla readily cures, as it expels all impurities from the blood. Even in cases of poisoning by Paris green, Hood's Sarsaparilla has been remarkably successful. It should be kept constantly in the house for all blood disorders. Hood's Sarsaparilla is made by C. I. Hood & Co., Lowell, Mass., and is sold by all druggists. 100 does \$1. PROMPT, SAFE, SURE
