GEORGE B MODLELLAN DEAD.

Mafor General George B. McClellan, stand reserved to be the stand of the stand "General McClellan had been The funeral ceremonies took place under the care of a physician for about Monday. The services were held in

two-wocks, but his death was quite uns Malison Square Presbyterian Church, San Francisco on Saturday night at toward his late associate and answered. axpected. Without knowledge that General Me- ance, the church being crowded, but eat. It was called by the Knights of 61, my coupation a convict, and my Ciellan had been ill the country was the entire ceremony was remarkably Labor, and was the result of the strike home is State's Prison. The terrible startled by the announcement of his simple, there being nothing to indicate by the Chinese cigarmakers on the 28d answer must have fallen on Ward's ears death. Indeed, so little was there of the eminence of the deceased, except of last month, when the latter informed like a doom. He never raised his head,

invitations were out for a reception and of delegations from military and work unless the white men employed a tremor pass over him, and when at Friday evening at his residence, at civic societies. A throng of people were discharged. The speakers de- last he did raise his head, the blood was Qrange Mountain, New Jersey. But gathered on the street, and heads were clared that "the time had arrived when gone from his face; and it was the first \*\* the light of that hours had gone out the reverently bared as the coffin was taken a united stand and action would have to time since the commencement of his

its reflex everywhere throughout the taken to Treuton, New Jerrey, where, tion, which, if not resented, would re- emotion. The circles are closing around country, for General McClellan, barring after further services, they were interred sult in serious detriment to the white him. The man who by his innate devilthe remnant of some potty partisanship, in the family vault in the cometery in laboring class." the lower part of the city.

the remnant of some petty partiannship, was profoundly estaemed in every part part of 4t and among the soldiers of the Army of the Totomac he was held not only in the highest remark, but was the object of their warmest affection. Gf all the commanding manabe he was the most popular with his soldiers, their love never being in the least edilled by the political disfavor of which he was the subject.

33 the subject.

a general commanding great military operations, says the Philatelphil Ledger, there has been had contention, and there is likely to be wide divergence of opinion 33 been called to the defence of Washing-ton and for the assault upon the Con-federates in Virginia had been defeated and totally disorganized under Mc-Dowell, and he being called to consti-tate a new army-he organized the Army of the Potomac. He almost created that splendid army and this surely proved great military capacity of one type. Then under embarrassments, discourangements, disadvantages and

one type. Then under embarrassments, discouragements, disadvantages and hindrances of every kind, he fought that army through the seven days' battles of the memorable Penineular campaign, beginning with Gaines' Mill and closing with Malvern Hill. During that period, on a line of campaign not haid out by him, but forced upon him, with the army divided, scattered and weakened by orders from Washington, faitered and maradol as to his most immoriant

plurality.

and manacled us to his most important movements the handling of the army

and minimized as to his post important movemensatifie handling of the army farougebout that eventful period wasthe wardling of a master. And when he goldha army to the position on the james fiver, which should have been according to his position on the grade from the first, and would have been according to his plan-he was de-prived of command, deposed and humili-ated. When the crites, the historiana, the dispassionate julges of the future consist of uake up their verifies as to the avenue of these days, they will see that General McClellan was expected to do to the fibres inouths of his Peninsular campaign, with hisdividel forces hamp-ered, hindered, thwarted, as he was-pliash with milling to the autor. The dispassion of the source of the sourc

Armies operating to virginia and all the resources of the country at his call. This statement does not diminisfi the fin-mortal credit due taileneral Grant, and it does no more than strict furties to General McClellan. The direction of the aray at that time exhibited military capacity of a high order unler perious lows:
