We do not exaggerate when we say that we have, unquestionably, the largest and cheapest line of goods in this section. A few reasons why we can afford to sell cheaper than other houses: 1st. We buy and sell for cash. 2d. We buy direct from first-hands. 3rd. We buy in such large quantities as secures us a reduction on our goods, and sos gine our customers the benefit of this reduction. ... We do not wish to mislead the public by presenting false statements. We make no assertime which are not positively "backed by the TRUTHI" We invite you to call and inspect our immense stock of goods, comprising,
