SUNLIGHT.

BY GEORGE EDGAR MONTGOMERY. The sunlight flows from sapphire skies others are free to tell it abroad for the good of fellow mortals. Of the latter kind is Mr. J. H. Coppuck, of Mount Holly; N. J., who writes: "I am one of many who give their cheerful approciation of the merits of the efficacy of your valuable Brown's Iron Bitters, from a sense of duty. The bitters are doing much good in our county, for which I can youch."

The sunight flows from sapplire skies and over field and river fles; In streams upon me warm and white Through the glad hours that follow night. It thrills the bursting buds and leaves, And with creative magic weaves. Fresh bloom, and color in the air And which can youch."

Men deem it but a common thing;

As common as the flowers which spring From soil and dew, and vaguely see thrown away in this world, in courting Its beauty-bright as dawn to me. the girl you want to marry and who is ready to marry you, would build all the To those who fathou far and near;

railroads and bridges and tunnels ands Its radiant mystery burns alone For hearis that look into its own. Oh! I have watched it till I seem To lose my senses in a dream; And yet its splendor is, I know A sure cure for all bolls, burns, sores, cuts, flesh wounds, sore nipple, hard A part of things that thrive and grow. and soft corns, chapped lips and hands.
