A Valuable Medical Treatise-

The edition for 1886 of the sterling nedical annual, known as Hostetter's medical annual, known as Hostetter's
Almanac, is now ready, and may be
obtained, free of cost, of druggists and
general country dealers in all parts of
the United States, Mexico, and indeed
in every civilized portion of the Western
Hemisphere. This almanac has been
issued regularly at the commencement
of every year for over one-fifth of a century. It combines, with the soundest
practical advice for the preservation and
restoration of health, a large amount of
interesting and annusing light reading. interesting and annusing light reading, and the calendar, astronomical calculations, chronological items, &c., are prepared with great care, and will be found entirely accurate. The issue of Hosterters' Almanac for 1886 will probably be the largest edition of a medical work ever published in any country. The proprietors, Messrs, Hostetter & Co., Pittsburgh, Pa., on receipt of a two eent stamp, will forward a copy by mail to any person who cannot procure one in his neighborhood.

-"How charmingly you sing, Miss Gusebury," "Do you think so?" "Oh, yes indeed, I never listen to you withut wishing you were where my cousins are in Colorado so they could hear you.' -It should not excite any surprise when a crack trotter breaks.

You have often seen women with marked blueness or paleness of face. wholesome food. These are signs of a isordered liver, and the trouble must oe corrected or worse results are sure to follow. Husbands and fathers cannot afford to treat this matter lightly. Dr. Kennedy's 'Favorite Remedy,' which dispels liver disease, costs less than sick wives and daughters. You will find it a very profitable investment.
