Tyne's.

He went home sick one night and said "Good night" bravely, swallowed a lump in his throat and ran off. The day after his father came in.

"He was petter, mooch petter," his father said.

Then his mother came; they wanted be place kept for the boy. "Oh, so sick. He is too much sick

here," the mother said, laying her hand on her breast.

"Tell him to get well, and he shall have his place,' said his employer. Tomorrow we shall come and see him." But on the morrow the father came

into the store and his eyes were red and "Mine leetle Jake," he began, and

then broke down and said no more. It went the rounds of the store like vildfire, the news that little Jake was dead, and you would have thought at east that he had been the proprietor. And he was, in a small way, pro-

prietor of the hearts of the people he served; of their esteem, their good will-a dividend that will serve him better than money in the land where he is to-day.

They sent, every one of them, beautiful flowers to Little Jake's funeral: he. was covered with the last offsprings of good-will from those he served. "We wish we had known that he was

so ill. We might have ministered to his wants or perhaps saved him," his employers said, with sad regrets. See well with the child.". And it is no longer "Guten macht? with thee, but "Guten morgen," Little Jakes
