LEDIGHTON, PA. SATURDAY, JANUARY 9, 1888.

Second Class Mail Matter.

Central Committee, has been called by Chairman Hensel, to convene at the Bolton House, in the City of Harrisburg, Wednesday, January 20, to elect Special to the CARBON ADVOCATE. a chairman and permanent secretary, and seven members of the State Execulive Committee; and to transact such mind on any person, or on any thing. other business as the committee may de- The beating of toy drums, the squawk terminar.

THE President pro tem. of the U. S. Senate laid before that body Tuesday a very remarkable petition from Sarah a week ago, uttorly disqualify a man Kelley of Honesdale, Wayne county, Pennsylvania, who states that she is a lone widow, who lost nine relatives in yourself?" says my wife deprecatingly the war for the Union, including a hushand, father, brothers, brothers-in-law, cousins, unclus, &c., and cried because she wasn'i a man so that she could go now." But no matter for that; the into the army herself. She asserts that stockings were all filled and emptied; she is a poetess of rare meril, and does and until the last drum head is broken not ask a pension, as other women in In, and the last tin trumpet is smashed, Congress to pass a bill appointing her may be that in Sheol they have toy the bard of the nation, with anch a sal- drums, if so, I pity the poor sinners who ary as will enable har to live in a style go there. that a lady should live who suffered so much for the perpetuation of the Union. the town is full of them. A special at-

Turnestimates of the statistician of anese village at the Madison Square. the Department of Agriculture for the Garden. Nothing like it has ever been principal screals are in round millions seen in this country before. It really as follows: Corn, 1,936,000,000; wheat, only seems like the other day since 857,000,000; oats, 629,000,000. The area Japan was a Terra incomita-hemmed of corn is 73,000,000 acres; of wheat, in closer by its despotic Tycoon and thing of the past. The big hotels are 34,000,000; of oats, 23,000,000. The Mikado than China by its gigantic wall; value of corn averages nearly 32 cents none were allowed to go in and none per bushel, and makes an aggregate of were allowed to go out. If you got in \$385,000,000, \$5,000,000 less than the you lost your head, and if you got out ly realize the desolation that covers New value of the last crop. The decrease in you were sure to lose it if you ever went the product of wheat is 30 per cent., and back. The world surely does move, for only 17 per cent, in valuation which is here we have a perfect Japanese town \$275,000,000. The valuation of oats is with all sorts of artisans, and real live \$180,000,000. The reduction in wheat Japanese mon and women walking is mostly in the valleys of the Ohio and about the streets. Oh, yes, and there in California. The production of all are genuine Japanese babies, who while sereals is 53 bushels to each inhabitant, not exactly up to the European orthodox O. Roberts and Wm. H. Vanderbilt. and the aggregate volume is larger than standard of beauty, yet viewed from a any former year.

pretty as a picture. AN exchange says: An old ledger kept by a Honesdale morchant sixty years all the world, devote much of their time ago has the following charges: One plut of whisky, 6 cents; half pound to-bacco, 12 1-2 cents; 1-2 pound tea, 56 of them whose occurates and useful, it is wonpounds of nails, 25 cents; one drink of and ornamental. While many of the has never been open to the public, it cents; 1-2 gallon whisky, 25 cents; 2 whisky and glass, 18 cents; one pair of shoes, \$1.50; rum and sugar, 11 cents; 1 quire paper, 25 cents; 1 candlestick, 10 cents; whishy and barrel, 812; currycomb and almanacs, 31 1-2 cents; I quart of brandy, 50 cents; 100 cigars, 25 his magnificent temple, or even while magnificent national collection. It cents; tobacco and whisky. IS cents; Lot and Abraham were shepherds among rests with three widows to say, if this gin, 34 cents; one barrel flour. \$6; one pound powder, 31 cents: 1-2 gallon whisky, 25 centat 3 pounds sugar, 44 centstl quari rum, 59 cents; horse to ride and drink of whisky, 28 cents, (horse 25 and ) whisky 3 cente).
