THE TWO APPIL MORINNGS.

BY WILLIAM WORDSWORTH. We walked along, while bright and red Uprose the marning sun; And Matthew stopped, he tooked, and said, "The will of God be done!"

A village schoolmaster was he, with halr of giltiering gray As blithe a man as you could see On a spring holiday, And on that morning, through the gress

And by the stenning rills We tracelled marrily, to pass A day among the bills. Our work," and I, "was well begun;

Then from thy breast what thought, Beneath so beguings a sun, Sasad a sigh and brought?" A second time did Matthew stop; And, fixing still his eye Upon the eastern monutain-top,

To me be made reply:

You cloud with that long purple eleft Brings fresh into my mind.

A day like this, which I have left Fall thirty years behind.

'And just above you slope of earn Such colors, and no other. Were in the sky that April morn, Of this the very brother,

"With rod and line I saed the sport Which that sweet season gave, And, coming to the church, stopped short Boside my daughter's gante. "Nine summers had she senreely seen,

The pride of all the vale; And then she same; - he would have been A very nightimusle. Six feet in earth my Emma lay; And yet I loved her more fur so it seemed—than till that day I e'er had bayed before,

And, turning from her grave, I met Beside the churchyard year t it oming gart, whose hair was wet With points of morning dew.

A basket on her hend she bare Her brow was smooth and white To see a child so very fair, It was a pure delight!

No fountain from its rocky cave E'er tripped with foot so free; he seemed as happy as a wave That dances on the sea.

There came from men sigh of pain I maked at her, and backed again; And did not wish use mine?"

Matthew is in his grave, yet now Methinks I see him stand As at that moment, with a bough Of wilding to life hand.

OUR SCUTHERN BUDGET

FROM OUR SPECIAL CORRESPONDENT. SOUTHERS PINES, N.C., April 1.

Away up in the Pennsylvania mountains where the spackling Lackawanna repares to make its final sweep onward o the broad bosom of the noble Susquedence. Pa. Four or five years ago he in the garden. wheel chair. He sai :

erful than those he left behind blm. This leads me up to the point I started from. While there are n i sa d miles, and miles of uncu tivated lands, lan is covered with the finest timber, lands underlaid with minerals that some day will supply the marts of the world, yet there is the usual number of North Carolinians who want to go farther South, or West, or somewhere. They

SHINBONES MARRS A SPEECH. aa an, lives an antiquarian who is also | haded the old school house of the Afrit local historiau. His heart is large can population of West Hoboken were enough for four or linary men, and he is waving gently in the afternoon breeze, to every sense a child of Nature. I am while the song of bees rose softly from letters received by the members of that referring to Dr. H. Hollister, of Provi- the two or three ragged hollybook bushes
