stered, affords speedy relief and cure.

As a remedy for Whooping Cough, with which many of our children were afflicted, we used, during the past winter, with much satisfaction. Ayer's Cherry Pectoral. For this affection, we consider this preparation the most efficacious of all the medicines which have come to our knowledge.—Mary Parkhurst, Preceptress, Home for Little Wanderess, Domeaster, Md.

My children have been peculiarly subject to attacks of Croup, and I falled to find any effective remedy until Commenced administering Ayer's Cherry Pectoral. This preparation relleves the difficulty of breathing and invariably cures the complaint.—David G. Starks, Chatham, Columbia Co., N. Y.

I have used Ayer's Cherry Pectoral

I have used Ayer's Cherry Pectoral in my family for many years, and have found it especially valuable in Whooping Gough. This medicine allays all irritation, prevents inflammation from extending to the lungs, and quickly subdues any tendency to Lung Complaint.

—J. B. Wellington, Plainville, Mich. I find no medicine so effective, for Cronp and Whooping Cough, as Ayer's Cherry Pectoral. It saved the life of my little boy, only six months old, carrying him safely through the worst case of Whooping Cough I ever saw.—Jane Malone, Piney Fints, Tenn.

Ayer's Cherry Pectoral Propared by Dr. J. C. Aver& Co., Lowell, Mass. Sold by all Druggiate. Price \$1; air bottles, \$5.
