## Truth Stranger Than Fiction.

There is no old saying to the effect that "there is nothing new under the sun," and yet from the following it would appear that there is no exception, even to this rule.

At a point six nulles west of St. Augustine, Plorida, on the line of the St. Johns Italiway, less a beautiful trad of land which has recently been laid out in a town-site called, was strained been laid out in a town-site called, was strained by been laid out in a town-site called, was strained by been laid out in a town-site called, was strained by been laid out in a town-site called, was strained by been laid out in a town-site called, was strained by been laid out in a town-site called, was strained by been laid out in a town-site called, was strained by been laid out in a town-site called, was strained by the strained so the settlement of James of the many thousands that wast florida fail to take a book at the Sen Wall, Old Fort, and the many other intresting objects.

He was founded September site, 1605, forty-was years previous to the settlement of Jamestow, Va., and fitty-live years before the landing of the Pignins on Physical Hook. The name St. Augustine was given to the pane by the Spaniaros, because they landed upon the day dollarded to that revered and enrued Saint. St. Augustine is growing rapady, being the berminus of two railways, and others are being oxiended toward it, and it is now known as the Hotel City of Fionilia.

The proofesors and owners of The ILLESTRATED SOCTITED. WORLD, a sixteen page weekly libestrated paper same six as independent of the strained and within two humber of the railroad, have planted in a plot of the acres the city of West St. Augustine, from Mr. Was Astor, of New York, interesting of the railroad, have planted in a plot of the acres the city of West St. Augustine, from Mr. Was Astor, of New York, interesting of the railroad, have planted in a plot of the acres the city of West St. Augustine, from Mr. Was Astor, of the Suida, by fiver thirty-five miles, or rail, then of the St. Augustine of the railro

Many will no doubt wonder how it is possible for any one to ansolution of how the synchic for any one to ansolution. According the edge of west st. According to the reasons, when explained are very simple. Adjacent to the lands upon which is located the city of West St. According to very simple. Adjacent to the lands upon which is located the city of West St. According the latest facts in content to the lands which is located the city of West St. According to his proprietors and owners of This LLLSTRATED SOUTHERN WORLD was offered which as the latest and they no doubt expect will greatly enhance in her in doubt she want in crosses, which, as the lots are taken will be very rapid, they also law in time of desired to induce subscribers to become actual settlers in the State, and at the same time seems for the paper an extensive paid up circulation.

come actual settlers in the State, and at the same time seems for the paper an extensive paid up circulation.

The LLLSTRAYED SOUTHERN WORLD contains seven or more pages of illustrations and it is repicte with choice diterature. No expense is sparred to make this publication one of the finest in the world. It is ably suited, and contains valuable information about Florida, the land of Flovers and transges, seems covering all the Southern States and their possibilities, besides states, poems, sketches, useful information, lousehold notes, the garden, etc. etc., in fact it is just such a paper as should go into every home in the land, and by the foregoing unprecedented and liberal offer they expect to soon quadringle their list of subscribers. The subscribers and owners of The Illustrated Southern World is \$4.00 per year and they ray the postage.

The subjoined is the offer of the trapictors and owners of The Illustrated Southern World is \$4.00 per year and they ray the postage.

The subjoined is the offer of the trapictors and owners of The Illustrated Southern World is \$4.00 per year and they ray the postage.

The subjoined is the offer of the trapictors and owners of The Illustrated Southern World is \$4.00 from you we will ender your name in our subscription books, and send to any nadares. The Illustrated Southern World, for filly-two works, paying the postage on it, and, as an extra influencement to have you be come on of our subscribers we will execute a warranty deed, or a town lot in West St. Augustica, \$0.100 feet in size. Remember we actually critic you this fet, and we hereful further agree to pay notary for excending the same and to pay all times up to January 1st, 1857. At the present thus no one can become a lot owner in our estimates the taken before we receive your remittance.

An Easton despatch of the 24th ult., says: Hahn, the notorious forger, goes to jail under a four years' sentence proposed te-day by Judge Reeder. Hahn was Sydney Kessier's friend and when Kessier would not help Hahn out of a forger, scrape Hahn weat beef an him and told ugly things about Kessler's accounts while Treasurer of the county. This was the beginning of Kessler's accounts while Treasurer of the county. This was the beginning of Kessler's troubles. Hahn was indicted on sixteen charges of forgers and larceny and he pleaded guilty to half of them. These aggregated about \$2,000 and in passing sentence the Court, besides sending Hahn to jail, imposed fines amounting to be \$500 and costs. Hahn was represented by Frank Ice-b.r. bre her of the Judge who imposed the sentence.

The Coal Trade.

The Philadelphia Ledger in its weekly coal review article says: "The anthracite coal trade continues in about the same condition as last noted. General quietness is the ruling feature, and there is the fount passing the county in the cause of the sale of the surface of the came to only any the pleaded guilty to half of them. These trades are the Court, besides sending sentence the Court, besides in the court of th

JESUS AT THE WELL.

tion of the public, but I had prepared myself for such an attack, and the words folias harm-lessly as the dew which falls on an autumn night.

casy transition, tens her of that hybrid water, drinking which, we "shall never thirst." The perplexity of the woman and her evident desire to learn withal, and the tender teaching of the Master, here Now, Mr. Editor, in justice to myself, for I am confident that many of your readers are not aware of the true facts, I would say, that ridd testify quite emphatically," and would do so again did necessity demand it. The do so again did necessity demand it. The question saized me on the witness stand was. "Is it meessary for a first-class cating-saicon to be Lehhmon?" I answered YES, and I am to be the continued to give glory to God. And it was sertain that your readers will side with me when they learn that there has never been an earling-saicon in the town, and that mow the amount of transient travel which is continuedly speng on here makes it a necessity. True, we have a large number of saicons, but out of them all a person is unable to get a "warm the lesson He makes. His first direct them all a person is unable to get a "warm the lesson He makes His first direct meal" at any time, and in a town the size of their, a first-class restourant is as much of a necessity as any other business—it being a thee am He." The first news of His

orbin convenience.

Now, dear reader, our reverend friend only knumble shepherds of the plain, and now wanted to present to you the truth in a true the first direct statement of His divine christian spirit, yet when he states that Mr. character is told to this poor Samaritan Hank said the saleons were necessary at the woman. He was far above caste and cite coal trade continues in about the same condition as last noted. General quietness is the ruling feature, and there is no indication that the trade will become very active until after the summer months. Some operators are refusing to book orders for future delivery at the ruling figures, but others are quite willing to accept all the contracts, either large or small, at present prices for delivery during May or June, that they like the properties of the most respectable places in the county, and for a man that he and all his friends could not say one word against; and at the same time he nilows the enthused county, and for a man that he and all his friends could not say one word against; and at the same time he nilows the enthused county, and for a man that he and all his friends could not say one word against; and at the same time he nilows the enthused county, and for a man that he and all his friends could not say one word against; and at the same time he nilows the enthused county, and for a man that he and all his friends could not say one word against; and at the same time he nilows the enthused county, and for a man that he and all his friends could not say one word against; and at the same time he nilows the enthused county. Not, the time with not in the county, and for a man that he and all his friends could not say one word against; and at the same time he nilows the enthused county of her face, fair inclex to the pulsating of her face, fair inclex to the pulsat

 Give up your prejudices, do good to all; imitate Christ in this. 3. Drink deep of the living water.
4. Be willing to learn of Christ and

-John Brady, organizer of the Min ers and Laborers' Amalgamated Assoc have a little more flesh and musel on his six ation in the anthracite coal regions, says foot two of stature. It is never too late to that there is not at present the least learn, and this yet may be of great value to prospect of a general strike. The eight him in gaining some of the needful avoirdu- hour question is being vigorously ag tated by the men of the lower fields, but many good citizens of our town, who pets no threats are being made by any one tioned for the restaurant, and the many wit- The association is sending out com munications to the different corpora tions asking for conferences on the
