

**Pimples, Boils,**

And Carbuncles result from a disordered, impoverished, or impure condition of the blood. Ayer's Sarsaparilla prevents and cures these eruptions and painful tumors, by removing their cause; the only effectual way of treating them.

I was troubled with Pimples on the face, also with a disordered skin, which I thought I could not get rid of. I used Ayer's Sarsaparilla, and in a few weeks the eruptions all disappeared, and my health was completely restored.

I was troubled, for a long time, with a humor which appeared on my face in the form of Pimples and Blisters. Ayer's Sarsaparilla cured me. I can assure you that it is the best medicine in the world.

**A Perfect Cure,**

**FARMERS' COLUMN.**

**Greenhouse and Window Plants.**  
In every collection there are overgrown plants, such as geraniums, etc.; the best way to make of these is, to turn them out to the border and let them do as they will, taking cuttings for the next winter. Plants that it is desired to keep, should be set in partial shade, and watered as needed.

**Impure Blood can be made Pure.**  
Blisters, pimples, and other eruptions removed—the skin assuming a clear and healthy appearance—all by taking Simmons' Liver Regulator, purely vegetable.

**Live Stock Notes.**  
May is critical month with farm animals. They are, over a great part of the country, going "from hay to grass," and are liable to be affected by the debilitating influence of the succulent and bovine food.
