#### "The Saloon Question "

ED, ADVOCATE:-In answer to Mr. Frey-man's question, "W uild not one-half of the One corner Lot on Northampton siloons and hotels o the town accommodate the traveling public pr any time T" Mr. Hank, the witness for T. Snyder's client, said, "No, they could not iring fair, when politi-cal meetings were he d and during the cou-Sw. ty institute." During the examination of the

essenit was said that we had ten licensed places for the accommodation of the public and the question was, would not one half of this not a less number accommodate the general public? And the answer in substance was that 

Nesquehoning to his old home in Beaver Run. - Miss Cora Van Dyke, of Weatherly, was visiting her many friends in town, on Sunday. - Mrs. Donohue, of Reaver Run, has returned home after a lengthy visit with friends in Philadelphia. - Miss Nora Ciark, of Nesquehoning, It because a few eranks presented a petition signed by the ministers of the different churches and by the Sunday school superin-tendents? Ion't you see how you misrepre-sent, and what impression you make on the general public? In order to induce farmers to bring the producta of the soil to our fair, and the manufacturer his articles, is it not better to speak well of our hotel and saloon accommodations? Is it not important that was the guest of her sister Miss Annie, -Our old friend Dr. A. J. Meyer, the popular Mauch Chunk Dentist, while in town on last Friday made us a

nade in private conversation and in public

where, and did not our private citizens throw open their homes-the best spare bed-for stand I might pass it by, even if Mr. T. A. Snyder, County Superintendent, who knows the facts, and who, as the attorncy, could inve corrected the fupression made by his witness, but did not; and since they are also

print, I do not see why they should be passed by. Is it just that so much ado is made Court? When these other gentlemen apply for a renewal of their licenses, will the Court grant them, since none of them, according to grant them, since none of them, according to testimony, are first-class? Is it proper that comparisons of this kind are made because you are called upon to defend yourself against the attacks made by cranks? Why pull down the attacks made by cranks? Why pull down

and our over-nowing near by transferred places in order to make room for new ones? Would it not be a new turn. We have started on a new dein order for Mr. T. A. Snyder to publish to the people of Carbon, so that those who have now commence a crusade of intelligence and been misled may know, the facts touching the cutertainment of the teachers attending the promises definite and practical results in the county institute. Mr. Peters has a fine place. very near fature. The moral atmosphere is intrally located, he is as deserving of sup- brightening with the flashes of intellectua port as any of the rest; and if our German friends want a place where they can get something to eat, and in a social way have a glass The children to represent the States will meet at the M. E. church at 12:30 o'clock, and He has rooms especially fitted up for the purpose, but his friends are too enthustastic at the expense and good the are of other similar scenered enforced? Simply by the electric

places. It is poor polley to furnish cranks with ammunition. We have some men in missage of such laws and of officers who will see to the town who are stupid enough, and who have check enough to visit our hotels and saloons forced; and that such men may be elected resting on Northwest corner of Iron and Bank in order to furnish them with annumition and George Brinton McClellan Stocker how much check have you?
