Arner's Super-Phosphates!

Special Notice to Farmers. In making our Fall advertisement, we ask your attention to a few facts concerning our Bone Phosphates. It should be your aim in putting out your goods this Fall to improve the soil and bring forth such a fine mechanical condition as to do us credit and please our customers.

Our Jumbo Phosphate. It is a very active and quick fertilizer, containing all the elements of plant food, and has given wonderfully good crops. We recommend it as a fertilizer not to the bottom for quality and price. \$2.50. Try it.

Our Hero Phosphate. It is a higher grade and more lasting effect. This brand we believe will come as near being a permanent improver of lands as any fertilizer made, and has stood the test alongside of any other made. Try it. \$3.00.

Our Victor Standard Improved, Price \$35.00. It is a still higher grade, and has no equal for the money. It is a great crop producer and will enrich the soil. You can buy our Phosphates, which are reliable, return to the soil that which your crops have removed, and make your land good and sound land better by its use. It is a fertilizer that is a thorough test, and we are satisfied to make it our recommendation.
