X., was being issued.

THE secretary of the Luzerne county

committee believes "it is kalew won the fight. Buckalew whe the favorite even with the bolters. After the runp convention organized instance, one protracted strike which and went through the act of nominating grew out of an edict that the miners Casaldy a resolution was introduced making Buckalew the second choice, in case Cassidy would not make the nomi-

THE River and Herbor bill as agreed upou finally appropriates \$14,473,900. Many of the worst jobs were cut out of 11, but many remain. The President will be obliged to balance in his mind the average good and bad in the bill and govern himself by the result of his inquiries. Unless there be an overruling necessity for the prosecution of the works of iment for which appropriations have been made the bill may safely be vetoed. It will not be long till Congress moots again.

A FLAINFIELD, N. J., despatch, of

and and

LABOR-

The annual Democratic County Meet- sonal investigation of the conditions of ing will be held at the Court House in labor, especially mining labor, in Pennthe borough of Mauch Chunk, on Mon- sylvania. He has prepared a series of at a word main the privilege of catulage all

Committee for the ensuing campaign mile, against 150 in Ireland and 484 in and transact any other business upon England. "It may be doubted," says Mr. George, "if there is, on the earth's

> miles, which, considering all things, is better fitted by nature to yield large returns to labor." In addition to such advantages Pennsylvania "has endeavored to supplement the gifts of the

bountiful mother, by invoking the protection of a paternal government." tection of habor," the whole foreign countered of what would otherwise have been the great est maritime nation of the world has been they will be wiser, but probably not so sacrificed, until now an American ship is ha
