As a remedy for Whooping Cough, with which many of our children were afficted, we used, during the past winter, with much satisfaction, Ayer's Cherry Pectoral. For this affection, we consider this preparation the most efficacions of all the medicines which have come to our knowledge.—Mary Parkhurst, Preceptress, Home for Little Wanderres, Boncaster, Md.*

My children have been pseudiarly subject to attacks of Croup, and J failed to lind any effective remedy until I commenced administering Ayer's Cherry Pectoral, This preparation relieves the difficulty of breathing and invariably autes the complaint.—David G. Starks, Chatham, Columbia Co., N. Y.

I have used Ayer's Cherry Pectoral
in my family for many years, and
have found it especially valuable in
Whooping Cough. This medicine allays
all irritation, prevents inflammation from
extending to the lungs, and quickly subdies any tendency to Lung Complaint.
