What is Fedigree. Pedigree may have a very high value or it may have none at all. If a sheep with an un! roken ancestry of a thousand and other goods, suitable for years, or two thousand years, has a very poor consitution or a bald head, it is more likely to impart those faults to its offspring, than if it belonged to a breed of more recent origin. It may, for this test styles, most substantial reason, be even less valuable in every manner at prices that aston- respect, than a high-grade. Pedigree is like a long train of cars; it runs with We still make those famous An animal without peligree, originate strong momentum, and it runs straight.
