### FARMERS' COLUMN

Attention! Farmers! We respectfully request the farmers who may have anything of interest under this head to weather all light clothing are more of a "home" nature. All articles not cast aside and we don that in the shape of advertisements inserted free

While it is generally the homesteaders who build the sod houses or dug-outs, find that many well-to-do people from and other goods, suitable for the Eastern and Middle States not only construct them when they first arrive, but afterwards hold to them because were an intelligent family from Central New York, who had first moved to Indiana and then to this point. They were as cozy as could be in this sod house maintaining that it was better than a

the Far West. Mr. Buchter, a well-known, citizen of aneaster, Pa., has used St. Jacobs Oil, We would call your atten- and considers it an excellent remedy in

eases of swellings, bruises and burns. A Crib for the Feeding Lot. feeding lot four forked posts are set in the ground at the corners of a nine-foo square. In the forks are placed stout poles, and on these are laid the floor and is dult the crib. The posts make the pen high enough for the swine to pass under t; hence, any corn that falls through it is enten. The feeding floor is laid under and around the pen. In the greatest In Ladies, Gents and Child- pork producing sections, nearly all the rens shoes, we have everything hogs are fattened from October 1st to January 1st, the corn being fed to the hogs as it is husked. In such a pen nfty to one hundred bushels can be days-when it is desired to do other work. It is an easy matter to throw the corn from the crib to the feeding floor, and as the corn will never remain in the crib longer than a week, no roof is required. Set the posts solidly in the ground, for if the weight of the corn hould cause the crib to fall, it would kill any fat hogs that might be under it.

> farmer can make it and in a short Most Excellent J. J. Atkins, Chief of police, Knox ville, Tenn., writes: "My famity and I are beneficiaries of your most excellent medicine, Dr. King's New Discovery for consumption; having found it to be all that you claim for it, desire to testify to its virtues. My friends to whom I have recommended it, praise it at every op-portunity." Dr. King's New Discovery for Consumption is guaranteed to cure Coughs, Colds. Banchitis, Asthma, Croup and every affection of Throat, Chest and Lungs. Trial bottles free at Thomas

Drug Store. Large size, \$1.00. Suffolk Pigs.

Among the small or middle races M English pigs a breed occurs which is close akin to the Essex-somewhat B larger in the body and shorter in the leg. better haired and hardier. A standard authority thus describes them: "The Black Suffolks are short on the leg, long 7 in the body, well coated with long, silky hair; the forehead broad, the nose short and slightly turned up; ears rather short but broad, with a tendency to droop forward; splendid shoulders, great jowls, body wonderfully symmetrical. The Suffilk more nearly realizes the theory of the parallelogram than any other animal we know of. The tail is set quite on a level with the hips; the hams are deep and wide." This is high praise They are also praised for the excellence of their pork, freedom from skin diseases resemble the Essex in many points, and are equally valuable for crossing upon the larger breeds.

> and the preservation of pedigrees in England, dates back but comparatively few years. Pigs took their names from the counties in which they were bred, and breeders or exhibitors at shows called their pigs Suffolks of Norfolks perhaps, so it happened that some white pigs that won prizes at the shows, were imported o this country under the name of Suffolks. The pigs were good and had quite a run, but when we wanted more, we found that Suffolks as recognized in England were black, and that the high bred, small white breed were the small Yorkshire, which were, so to speak, like those we were familiar with as Suffolks, only more so. There have been occasional importations of Black Suffolks, but we know of no herd maintained and bred pure. They probably have been crossed with the Essex, which they resemble,

The really careful breeding of pigs,

regard of our people. The publisher of Baltimore, Md., EVRY SATURDAY, Mr. T. J. Wentworth, says his child aged six months, was suffering from a severe cold, and begave it Red Star Cough Cure, which acted like charm. No morphia.

### TAKE== SIMMONS LIVER REGULATOR

For all Diseases of the Liver, Kidneys, Stomach and Spleen.

This purely vegetable pre-paration, now so celebrated as a Family Medicine, originated in the South in 1898. It acts gently on the Bowels and Kidneys and corrects the action of the Liver, and is, there-fore, the best preparatory medicine, whatever the sick-ness may prove to be. In all common diseases it will, un-assisted by any other medi-cine, effect a speedy cure. Regulator is ask to administer

The Regulator is asse to administer in an rondition of the system, and under no circumstances can it do harm. It will invigorable a glass of wine, but is no inoxicating here age to lead to intemperance; will promote digestion, disalpate hendache, and generally tone up the system. The dose is small mot unpleasant, and its virtues unloched.

No loss of time, no interraption or stoppage of business while taking the Children complaining of Colle, Headache, or Sick Stomach, a teaspoonful or more will give relief.

more will give relief.

If taken occasionally by pa-tients exposed to MALARIA, will expel the poison and protect them from attack. A PRYSICIAN'S OPINION. Thave been practicing medicine for twenty years, and have never been able to put up a vegetable compound that would, like Simmons Liver Regulator promptly and effectively move the Liver to action, and at the same time ald (instead of weak-sing) the digestive and assimilative powers of the system L. M. Hanton, M. D., Washington, Ark.
