him during his four years in office.

journals who poured their bitter inuendoes upon him; however as the shadow of the great beyond closes about him, party malice fades and he stands forth as the great and generous man he really was.

PROBABLY miser Payne, late of New York City, would have saved the lawyers considerable trouble if he had had the foresight to make a will. As it is the lawyers will be fighting among themselves regarding the distribution of spoils that were accumulated through years of abject misery, privation and want.

In the course of a few weeks W. U Hensel will retire from the chairmanship of the Democratic party and resume the practice of law at Lancaster, his former
