HENRY WARD BEECHER.

place in American history which will find their full appreciation now that he is no more. The last half score years of his life added nothing to the many chapters of brilliant achievements, but rather detracted therefrom, tinging with bitterness the decay of a mighty career. But while his ensures heaped bitter intended by the sympathetic cord of pure, honest friendship clung to him with ardent devotion when the darkness of a great sortew settled over him. Henry Ward Beecher was the expounder of no false degma. place in American history which will find adjacent to the rivers, where the toilers like it. their last resting place.

The present American contributions of money have the countenance of American opinion, says Gladstone, and the aid of Americans of high station and character, free even from the bias of Irish extraction. Can we object justly to their action? Why should they be ashamed of it, or why should we resent it? If ever one country may subscribe for the purposes, the peaceful purposes, of another, it is when a rich country and a kindred country subscribes for a poor country, and for the poorest though far the largest portion of its people. It is when The present American contributions of was enough. America has enjoyed means of judgment perience that we have paid too costly a St. Patrick's Day is close at hand and it America has enjoyed means of judgment perience that we have paid too coasty a price for this Republican Government of she has known and seen better than we do ours to allow a despotism, no matter what the fruit of our treatment of the Irish nation of the Irish natio
