THE COLOR LINE. The rejection by Garfield Post, G. A. R., It seems to have been felt that it would be nation with the coercion bill. discreditable to let the report go abroad that a colored soldier had been black-balled simply on account of his color, Our esteemed cotemporary, the New York Evening Sun, in commenting on the action taken by the members of the Grand Army Post says: "In the North, at least, prejudices of that sort, though still lingering. have something of the nature of an anach ronism. To object to a colored man simply because he is a colored man is a Dr. Fell antipathy toe unreasoning to be confessed. So we find that a new reason has been found for refusing membership in the post to this Portland colored man. It is now said that he was blackballed because he is

Was there ever a more whimsical and abaurd objection? It reads like a joke. Why should anybody object to cooks? Among the gennine benefactors of mankind they take a high place. Not only the physical power in the Sixteenth Assembly District but the mental distinction of a race depends in a large measure upon the food it known among his familiars by the endeareats, and the skill and science with which ing name of Mike. Mike had a fellowing its food is cooked. The higher a race in civilization, the better its cooks. These are the real makers and masters of the after office who neglected about election world. Generals, diplomatists, statesmen are their subjects. A few grains too much Time and again there have been rebellious of pepper in his Wiener Schultzel might put Bismark in such raging irritation that Mike inustered his cohosts and whipped war with France would be declared at once. wooldn't think of war. Who knows how many murders, changes of dynasty, civil dissensions, rebellions, and revolts and in- there can be no doubt; but one thing was digestions of the State have been due to morally certain, no matter who was dethe bellish acts of bad cooks? On the feated, Mike Cregan invariably came out other hand, how many treatles of peace, family reconcillation, negotiations of happy marriages, and general concord and ence to Captain Mike. When the party good will have come from the moral effect was knocked out Mike always came up of the admirable preparations of culinary
