Bank Street, Lehighton, Pa. The New York Millinery Store!

Miss Alvenia Graver

Has just returned from the City where she has been for several days past inspecting and purchasing all the newest and latest novelties in beautiful and fashionable

My assortment of fine and tashionable Summer Millinery is, with-

out a particle of exaggeration, the largest and most complete ever brought to Lehighton or shown in this section of the Lehigh Valley. The styles in Hats and Bonnets for the Summer of '87 are more beautiful than ever, while the lovliness in tints and colors of ribbons have never been equalled. With a large and fashionable stock of only the latest styles in millinery hats, bonnets and trimmings, and a force of experienced milliners, I invite the ladies of Lehighton, Weissport and surrounding country to call and inspect my stock and leave their orders, feeling sure that I can give satisfaction in every particular. Respectfully,
