Decorations Day—Programme  
IN THE LABOR WORLD.  
Specially Compiled for the Tailors by an Advocate.  
The Lehigh Coal and Navigation Company will sink a shaft and open a colliery near Tamaqua, Friday.  
—An exchange has just found out that the K. of L. is a strong organization. Better late than never.  
—Foreign emigrants are rapidly filling the place of anything else miners in the Cornwallia coke regions.  
—The fourth of July will be enthusiastically observed by Knights of Labor in every city and town in the country.  
—Between \$25,000 and \$50,000 is paid in wages every week to the operatives in the various industrial works in Catawissa.  
—An exchange truthfully says that just so long there are lazy, shiftless men, just so long will poverty and want predominate.  
—Correspondence to this column solicited. If you have anything of interest to the tailors send it to "Labor Editor," care of Advocate, 405 Northampton street, Lehighton.  
—The tailors, laborers and strike pickets employed in and around the Warrior Iron, Luzerne county, colliery, have struck for last several months.  
—By the shutting down of Packer Collieries, Nos. 3 and 4, at Shenandoah, Pa., the Lehigh Valley Colliery Company, one thousand miners and strikers out of employment for an indefinite period.  
—The forty-eight furnaces in the Lehigh Valley are in blast. In the Schuylkill Valley twenty-eight of forty-four furnaces are in operation. There are one hundred and thirty-seven out of the one hundred and ninety-nine anthracite furnaces in the United States in blast, with a capacity of 48,000 tons per week.  
—The slate operators in the Lehigh region claim that the latest slate commences to be a better quality than the old slate, and that it has unsettled the trade to such an extent that they are unable to give rates to parties making inquiries. The slate is anything but active, and the indications of a brisk summer are anything but promising.  
—There are two hundred and fifty Knights of Labor at Birmingham, Ala., who have purchased a tract of land near that place and have laid off and are building up a town. A large furnace will be completed shortly and work will be carried on to the co-operative plan. The Knights of Wunepung, Manitoba, are talking of going to Lehighton to be active, and the Philadelphia and Reading Railroad Company has issued a special circular to employes announcing that hereafter those who have been in the continuous strike of the company for the longest period of time and who have proven themselves capable and trustworthy of higher positions, will have the preference when vacancies in more desirable places are to be filled. This applies particularly to ironmen, brakemen and others who desire to be engineers. This is the correct more in the part of the employers.  
Was There? Local.  
—The Advocate—\$1 a year.  
—A. M. Masonheimer of town is at present in attendance at a meeting of the Reformed classis at Watsonstown, Pa.  
—Farmers around here are just about done plowing their corn and potatoes. The plowing has been carried on very late in the year.  
—Engine No. 35 "Mercury," No. 81 "Aur" and No. 335 E. P. Wilbur are at present in the shops for general repairs. No. 81 is about ready for service.  
—Trout fishing is now at its light around here and the mountain streams that still have some of the speckled beauties are fast driving them up to the anxious fishermen.  
—The public schools of this town closed on the 25th inst. High school commencement on Thursday evening in Cassin's Park. The exercises were given by the Rev. J. H. Kuder, vicar, Gilbert Croll, Oscar Davis, Morris Hoover, W. Evans, Alice Smith, Laura House, Harry Wyan and Bertie Young.  
—Weatherly it will have a silk mill. A citizen's meeting was held in Cassin's Park last Saturday evening and the required amount of money subscribed for parties locating their mill here are from Patterson, N. J. We are at present having notices for notice a number of needed improvements—among these a new station.  
—Engine No. 182 "Onoko" drawing a heavy train of loaded coal cars was badly wrecked on the road west last Monday. It seems some miscreant from that benighted region misplaced a switch which was the cause of the wreck. The engine and some of the coal cars are lying in a swamp buried in the mire.  
—The town talk is High License and Weatherly—the effect the former will have on the latter.  
MAHONING ITEMS.  
—Miss Ellen Galt of South White Hall, is at home from a visit.  
—Moses Zeller is putting up a wire fence around his farm.  
—Last week Daniel Kresley killed a black snake on his farm.  
—Eddie Reigel received a severe kick on the forehead from a horse.  
—Frank Gilbert and John Miller are having their houses painted.  
—Mrs. Mary Walton, of Summit Hill, is visiting at Thomas' home.  
—Christopher Schelmer, aged ninety years, one of the oldest citizens of Mahoning, died last week.  
The purchasers of the Gerber's farm will in two or three days have the timber there cut down and sawed into lumber.  
—The proprietor of the New Mahoning Hotel did not take out any license this year. There will be no hotel here in the Valley.  
Further Testimony—Galt to the Public—A Base Representation. Thomas' Own Letter Concerns Him.  
T. D. Thomas has been exhibiting notice to tenants in his show case a laudable notice to tenants, signed by me, to impress the people with the idea that he was compelled to leave the old stand—albeit that he has gone traveling by letter and that he had given the notice he does not exhibit—it refutes the above lie and false impression, and reads as follows:  
Dec. 31st, 1886.  
MR. T. D. THOMAS—Hearing rumors of your intention of vacating my premises at the end of my lease, I thought it best, in order to find out the facts and to settle your usual notes, so that I might make all the necessary arrangements at as early a date as possible in case you should move. The object is not to present a renewal of your lease should you desire to do so. If you have not been notified by me or before your Jan. 31st, 1887, you will confer a favor. Very respectfully yours,  
N. B. REBER.  
This letter, as above, can be established by affidavit and witness. T. D. Thomas was not compelled to leave the old stand. He was at liberty to remain as long as I wished, and he sold his premises to me. He acts and tells an untruth when he says anything to the contrary. Would a man of Truth and Honor deceive his friends and patrons in this manner? He has done so simply to manufacture a little sympathy. After writing the above Mr. Thomas' own lie was found out and he contents him out of his own mouth, proving that he had already written a larger room before receiving my letter. It reads as follows:  
LEHIGHTON, Pa., Jan. 5, 1887.
