nessed in any land before. It was, as the lient speakers will deliver addresses pertinent to the occasion.

BLAINE's tout on this continent is abouted to them certain ensigns and Connecticut have had respond to them certain ensigns and banners allower the control to the occasion.

BLAINE's tout on the continent is abouted to Democratic or gans all over the country. They look upon it as a forerumer to a boom that will place that is nominee. It is highly probable that such a condition of affairs will develope—Blaine waits to be vindicated, but we hardly thank that 1888 is the year set apart for the auspicious event.

According to many New York journals the McGlynn demonstration in New York eity Saturday night was not as successful as willing to make capital out of the passions.

Seas the northern suvivors of the war bave been exchanging with their southern cutters southern bave been exchanging. With their southern breathern the relies of their forgotten hared. New York and Connecticut have had restored to them certain ensigns and banners are dead, and have recovered from the passion of this wife and sister are dead, and having no children he concluded that the best way to dispuse of his fortune was to rear a monument to himself. At consideration of affairs will develope—Blaine waits to be vindicated, but we hardly the probable that the community of this recent outbreak. They will see that the common of this recent outbreak. They will see that the cement of reconciliation has solidified the masses and that the foreign particles are nothing but the seum. That there should be any considerable number of men willing to make capital out of the passions. years past the northern survivors of the war bave been exchanging with their southern civilization. Mr. Louis Mosquero is aged willing to make capital out of the passions lowed to exist. Perhaps when we get to

retarded by their efforts. This flurry will quero's virtues, for his death, and when pass. The troubled waters will subside that is filled up the whole thing will be complete.

A novel suit is now before the courts in which one Henry Eiseman is complainant wrath of a long buried acrimony will be and Henry Resg, President of the Journeyman Brewers' Union, is defendant. Mr. Eiseman gave offence to the Union and he Elseman gave offence to the Union and he was expelled and his card permitting him to work was taken away from him; for be it known in free America a man must get permission to work and pay for it, or without it he is a leper and cannot earn his daily bread. Mr. Elseman went from brewery to brewery to brewery looking for work, but wherever he went the walking delegate followed him and drove him out till at last it looked as though the man and his family would starve to death. At list driven to desperation instead of shooting down the walking delegate he appealed to the law, and now he sues the Brewers Union for \$22,000 damages. It is to be Mathe Res. N. Peiers, W. Feiers, W. Feiers, J. Galze V. Harten, A. Winner, Miran Royer, Mathe Charles, Mathe Houtz, Miran Royer, Miran Roy For many months past you might have out it he is a leper and cannot earn his noticed in the leading papers whole col-umns of advertisements of "K-Wren." daily bread. Mr. Eiseman went from brewery to brewery to brewery looking for "K-Wren, what is K-Wren?" people inquired, and soon it was diacovered that it was one of the thousand and one infallible remedies for coughs and colds. It was the invention of the talented young editor of driven to desperation instead of shooting some one suggested that he give it to the hoped that the law of his country will afwill teach his persecutors a lesso
