FOR JUDGE OF SUPERME COURT, Hos. W. M. RAPSHER. OF MARCH CRUNK, CARRON COUNTY, PAG

Subject to cutes of Democratic State Convention

THE SUPREME COURT JUDGESHIP. We regard the Indicial Department of eur Gevernment, State and Nation, as one be, of the very greatest importance, and therefore our Judges should be hi symmethy with

fuential and powerful here than are the aristocracy of Europe in their own coun-

reputations as lawyers. bok at things as they really are.

Practically all the great necessities of life in this country, excepting only the air-and that would be monopolized if it had solidity like the earth-are now controlled by soulless and mercenary combinations. Are White Haven such a Board was organized these things inevitable? Are they the lesometime ago, and by an untiring energy gitimate preduct of our civilization? If they that body has worked out a wonderful are we had better begin anew. But they revolution in the business affairs of that are not the outgrowth of progress. They borough; Weatherly also has a Board of Trade that is a credit to the town; Aliencrescences. They are the fruits of bad town owes much of its prosperity to a body legislation. Laws, enacted by professional of men organized for the purpose of furhave already absorbed more than one-half through the whole list of towns and cities of the wealth of the country and are suck- where Board of Trade organizations have ing the Mfe blood of the people.

The unorganized masses of consumers and profucers can protect themselves against those "trusts" in but one way, and Organize. that is through laws which will utterly overthrow and prevent such giant growths. law how will we ever cope with a "Railroad Trust" organized to evade all the laws

It is estimated by competent anthority by private persons. Fifty years ago corsorations were nothing; now they are everything. They dominate all channels of activity except farming and merchandising; they centrol legislation; they make hewers of wood and drawers of water of all who are outside of their charmed circles. Soulisss entities they are made the scrapegoats of the unscrupulous conduct of the most unsernpulous men.

Let us earnestly unite and put W. M.

Ar a United Labor party convention held recently in Ohio the following resolutions were unanimently agreed to:

tion on improvements and the products of industry, and we advocate the raising of all public revenue by a single tax upon land values, thus preventing the holding of tracts of umused land and taking from the

their nature monopolies.

pear that Henry George had given up his gation and time will convince the Anvo- who knew not William, so he went back and in several of the Departments the popular theory of land confiscation and CATE readers that we are right. compromised with the expressed desire to gain "control of railways, telegraphs, tele phones and other means of distribution and communication which are in their nature monopolies." Considering the fact concurrence or rebuke to the present Demthat a governmental control of corporations would create thousands of new offices the shove policy must certainly become popular amongst disappointed politicians.

Twe "hole" is evidently yearning for lawing complimentary remarks by Mayor Francis, of St. Louis, who with a delegation of fifty of Missouri's best citizens appeared before President Cleveland Monday
