D. LANGELL'S

ASTHMA AND CATARRH REMEDY.

Having struggled 20 years between life and death with ASTHMA and CATARRH, treated by eminent physicians, and receiving no benefit, I was compelled during the last 5 years of my illness to try every remedy known to medicine. In despair I experimented on myself by compounding roots and herbs, and finally the medicine thus obtained. I fortunately discovered this WOODRUFF'S CURE, and taking the same, I was enabled to breathe free and sleep comfortably. Please read the following condensed extracts from unmodified testimonials, all of recent date.

Oliver W. E. Thomas, San Jose, Cal., writes: "I find the remedy all right, even more than reported. I receive immediate relief from the most distressing cases of Asthma, Catarrh, Hay Fever, and Croup. I have treated by eminent physicians of this country and Germany, tried the climate of different states—nothing afforded relief like your remedy."

L. B. Phelps, P. M., Green, Ohio, writes: "After suffering with Asthma 20 years, your medicine has benefited me more than all the other remedies combined for me in three years."

H. C. Hinton, Lehigh, Pa., writes: "Send Catarrh Remedy at once. Cannot get along without it. I find it to be the best of the most valuable medicines I have ever tried."

We have many other hearty testimonials of cure or relief, and in order that all sufferers from Asthma, Catarrh, Hay Fever, and Croup, and those who may have an opportunity of testing the value of the Remedy we will send you an address FREE OF CHARGE. Write for it.

Your druggist fails to keep it, do not permit him to sell you some worthless imitation by his representing it to be just as good, but send direct to the address, 421 MARKET ST., PHILADELPHIA, Pa. Wholesale Druggists, Warner, Wayne & Co., Full size box by mail \$1.00.

HAY FEVER CATARRH

is an inflammation of the mucous membrane of the nostrils, throat, and lungs, and is caused by the dusts and seeds of plants, and is characterized by sneezing, itching, and watery discharge from the nose, and by a feeling of heat and burning in the throat. It is a very annoying and distressing ailment, and is often accompanied by a general debility of the system, and a feeling of weakness and languor.

Try the Cure.

Ely's Cream Balm HAY-FEVER

A particle applied to each nostril and in a few minutes the itching and burning is relieved, and the discharge is stopped. It is a most valuable remedy, and is sold in all drug stores.

AS WE CLIP HUMOROSITIES.

—Pine City, Washington Territory, claims to have the smallest living woman. She is 27 years old, twenty-nine inches tall, and weighs 33 pounds.

—A receiving teller—a gossiping woman.

—Very large fans of painted gauze are fashionable.

In Brief, and to the Point
Dyspepsia is dreadful. Disordered liver is misery. Indigestion is a foe to good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Gray food, tough food, sloppy food, bad cooking, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this sad business and making the American people happy and contented. Ask your druggist for a bottle. Seventy-five cents.

Remember—No happiness without health. But Green's August Flower brings health and happiness. Ask your druggist for a bottle. Seventy-five cents.

—These explorers require more looking after and accomplish less good than any other class of men.

—The pink is the popular color for dressing tailor suits.

Dyspepsia
Makes the lives of many people miserable, and often leads to self-destruction. We know of no remedy for dyspepsia more successful than Hood's Sarsaparilla. It acts gently, yet surely and efficiently, tones the stomach and other organs, removes the cause of indigestion, restores a good appetite, cures headache, and refreshes the burned mind. Give Hood's Sarsaparilla a fair trial. It will do you good.

—To prevent your house being burglarized, leave a big watermelon on the back porch.

—For home wear we now have tea gowns, morning gowns, chamber robes and lounging gowns.

Ought to be Known by All!
The wonderfully quick and certain relief afforded by Fontaine's Cure in cases of cold, cough, croup, bronchitis and asthma. It will cure a cold in 12 minutes! The first dose will give relief. It will cure croup in as many minutes. A child's life may be saved by its timely use. It is a radical cure for Asthma. It should always be in the house, ready for an emergency. Can you, or any person afford to take a risk, when you can absolutely guard against it? Whooping-cough, consumption and bronchitis will yield to this medicine when others have failed. Sold at Dr. C. T. Horn's drug store.

—Painted in dead colors. We continually see advertised: "Photographic Portraits by Death." Of course death "takes them from life."

—Speaking of "warm waves," we'll waive ours.

Hay Fever, Asthma, Relief guaranteed. Fontaine's Cure. For sale by C. T. Horn. "There is plenty of room at the top," said the hotel clerk as he ordered the porter to put another cot on the roof.

No Cure—No Pay.—A new departure in medical science! Fontaine's cure for throat and lung diseases has cured after all other remedies failed. For sale at Dr. C. T. Horn's drug store.

—There is a great difference between a busy man and a card player. For example the busy man often has his hands full, while a gambler often holds full hands.

—Dr. Lovell falls in love—no story in the house, ready for an emergency. Can you, or any person afford to take a risk, when you can absolutely guard against it? Whooping-cough, consumption and bronchitis will yield to this medicine when others have failed. Sold at Dr. C. T. Horn's drug store.

—A Texas newspaper has come to grief. The foreman looked up the forms, then the sheriff looked up the editor.

—For Rheumatism use Dr. Lloyd's family medicine—no cure no pay—at C. T. Horn's Central Drug Store.

—"Here is another lock-out," said the barber as he examined the elderly gentleman's head.

The Rev. Geo. H. Thayer, of Bourbon Hill, says: "Both myself and wife owe our lives to Shiloh's Consumption Cure." Sold by Dr. Horn, Lehigh, and Biery, Weissport.

—Application is the price to be paid for mental acquisition. To have the harvest we must sow the seed.

Are you made miserable by Indigestion, Constipation, Dizziness, Loss of Appetite, Yellow Skin, Shiloh's Valerian is positive cure. Sold by Dr. Horn, Lehigh, and Biery, Weissport.

—Wanted—the vehicle in which people are driven desperation.

—Good manners and good morals are sworn friends and firm allies.

Why will you cough when Shiloh's Cure will give immediate relief. Price 10 cts., 50 cts. and \$1. Sold by Dr. Horn, Lehigh, and Biery, Weissport.

—"Reined families" are said to be drawing the line at paper-covered novels.

—Jesse Maple, a colored man of Toledo, Ark., claims to be 115 years old, and members of his mother's family say that the claim is well founded.

Shiloh's Catarrh Remedy—a positive cure for Catarrh, Diptheria and Canker Mouth. Sold by Dr. Horn, Lehigh, and Biery, Weissport.

—The boom of the fire cracker is a relic of our past.

—Glastone was in Parliament at 22, and at 24 was Lord of the Treasury.

—I have been for several years a sufferer from hay fever and severe head colds, and have tried other remedies in hope of getting relief but have found none that compare with Ely's Cream Balm. I would not be without it on any consideration. It is simply wonderful in its effect upon the most annoying, and in some cases, dangerous, of all ailments.

I can cheerfully recommend Ely's Cream Balm to the suffering public for hay fever and all stages of the eye passages. I have tried Shiloh's Valerian and found it a positive relief.—J. E. Recter, 300 Rock St., Lehigh, Pa.

—Papa is sometimes asked to contribute to his daughter's happiness and good wife assent to it.

Sabbath breakers—the waves at Long Island.

—A. H. Walker, Ohio, Nels., says: "Dr. Seth Arnold's Cough Kicker sells very readily and suits all who use it."

Mothers, teaching and fretful children need Dr. Seth Arnold's Cough Kicker and Quinine Compound. Druggists, 25c.

—What the depositor wants to know is, not that his money is all right, but that it is all left.

—Who ever saw a suffragette woman?

—Having in our official capacity as members of the Plymouth, Pa., Hospital 1400 patients, we have found that the effectiveness of many different articles to be used as disinfectants in sick rooms, and as preventives of infectious fevers, report that Dr. Seth Arnold's Cough Kicker and Quinine Compound is the best disinfectant and prophylactic in this class. It proved most efficacious in staying the spread of the fever. F. H. Armstrong, J. A. Gray, Thomas Kerr, S. M. Davenport, O. M. Lane, Jas. Lee, Jr.

—Bathing the infected parts in inflammatory rheumatism with half an ounce of saltpetre in half an ounce of sweet oil is said to be a good plan.

—A farmer says: "The thing I don't like about city folks—they are either so stunk up that they can't reach'em with a haystack pole, or so blanded friendly that they forget to pay their board."
