LEHIGHTON, PA., SATURDAY, SETEMBER 17, 1887.

SECOND CLASS MAIL STATES.

Knights of Labor of Carbon county will meet to-day (Saturday) and put in nominaflon a county ticket to be voted for at the coming general election. Of course the Knights will be careful in the selection of

Pr is not at all improbable that Governor than the last bill.

Ir C. W. Lentz is elected to the office of Register and Recorder by the voters of Carbon county next November; and if thereafter he performs the many duties connected with that, office faithfully and honestly, has he not a perfect and legitimate claim to a fair living out of the "public crib". We belleve the Gazette editor will readily coincide with us, considering the existing order of things political.

THE next Congress must pass a bill calling for a thorough tariff revision. There cracy is not unmindful of the fact. The immediately affect the living of the poor.

the many other strikes and boycotts of the least a couple of militions of dollars. past. The corporations appreciate the

THE resolutions adopted by the Republican county convention condemns naanything about that man Bachman from publicans of Carbon and demand recognition. Perhaps it would be policy to interfault of the typewriter.

THE ADVOCATE is an independent jour ual when it comes to the matter of political discussions; the supporter of no "clique" and the mouth-piece of no so-called "ring," it has not infrequently had the baneful curses of politicians heaped upon it. The ADVOCATE has borne the boycotts of political rings and office holders, but in the end it has invariably come out ahead, we are free to criticize, land or condemn the actions of any party or parties politic. While the opinions and political convictions of this paper at times conflict with the convictions of this paper at times conflict with the convictions of individuals who hold and guide the party lines, it will not stop the publication nor better than the converted and the property of the publication nor better, nor his sisters, his consins, nor his aunts, there will be lots on significant terms of sinners like myself who will put up their last quarter for a good seat, just to see how the thing comes out. Since she left us she has the endorsement of the Prince of B'ales, they turned up their ty lines, it will not stop the publication nor was in holy logory, evelanting. "Oh my it has invariably come out ahead, we are distribution of the CARRON ADVOCATE because the masses want the only unadulter ated independent weekly paper in the county. They see the necessity of having it, and in thus seeing it, they want it!

AFTER the signing of the Declaration of Independence, which is looked upon as the birth of American liberty, we had independence without law, and the States were at variance with each other and with con gress. The dream of liberty, free institu tions, &c., which had inspired Washington Hamilton, Randolph, Henry and other great men was fast fading when in 1778 congres approved of the call of five States, Pennsylvania, New Jersey, New York, Delaware

enterprising borough will have a Democrat- cloth and ashes, and wish that a millistone Ic candidate for Associate Judge of Carbon | had been fied about their neck. county at the Democratic county convention to be held in the year of our Lord A. D., 1888; and political report has it that another gentleman in the same locality has his eye on the prothocotary ship, while still another Democrat, as deserving as he is popular, no doubt, and hailing from the same place would accept a renomination to serve has taken the town by surprise. It was the smashed it, and after heatowing on blue a the people in the capacity of an Assemblyman at Harrisburg. This makes the political outlook in the vicinity of Weatherly There is little doubt that the fight has cost waved over the procession; the Stars and very interesting, for if the goose is missed the Western Union many millions of dol. Stripes were good enough for them, and no the gander will in all probability be maimed.

Next comes Lansford, with a candidate for ance with the Mackay cable made it a con-Associate Judge, in the person of our popular young friend Editor Malloy, of the its destruction or purchase was necessary if the Western Union was to continue as a Spell it. crat, sometime since sald would be a can-dividend-paying concern. Robert Garrett, didate for said office; there having been no denial we are free to infer that Lansford father was, was nevertheless a very importing the railroad the other day, so says the will butt against Weatherly for the nomintant factor ir our railroad interests. With Plain Speaker, ation. This is simply a forecast of what is the sale of the Baltimore and Ohio he passes to be in 1888. We presume that there are a out of sight—willing, it is said, to seek that a few more candidates to be aunounced after the coming fall election.

Nothing like being out early, you know, for the early bird catches the worm.

CANDIDLY speaking, as a newspaper political parties and public men, we do not excellent working order. think that the Republicans of Carbon councommitted an error when Dennis Bauman, land and the Democrats. It is currently has of Parryville, was so completely slaughtered Beved upon the street that Henry Vilard for the county auditorship to make room has got back some of his loose change and Bunk Street, Lehighton, Penns. for a younger and much smaller man. If that at no distant day he will be found on Sept 2, st. and

our many Republican readers will read over deck at the head of the Northern Pacific this article carefully they can not fall of The result of all this has been a sudden rise observing the mistakes that will again make in stocks, and the market has been beemthe fall election a Waterloo for the candidates of the Republican ticket. The frame It is now definitely settled that we are to ers of the Republican platform are free to have a new Labor paper which is to be the
