EXTERED AT THE LEGISITON POST-OFFICE AS SECOND OF ASS WATE MATTER.

JOHN SHERMAN, SAYS THE Full and the party of the election in New York as dispiriting. The Republican campaign was, in his judgement, timid and weak. The Republicans did not meet what he conceives to be the foremost questions, and particularly the Southern question, in a bold and aggressive way. His own platform is simple: first, Proc cion; second, an hones count in the South. He thinks the Republicans of New York falled to press the second issue as they ought to have done. He might have criticised their timidity on the liquor question, but he does not refer to it, probably because it is essentially a State matter."

On the other hand the New York Tribune, as staunch Republican journal, has acknowledged a defeat let the cities of Many and week more the destance as a second state as a second state and the content of the content of the case of the content of the cont

disagreement between operator and miner will be a complication of all business enterprises in the Lebigh Valley if much longer prolonged. Already apprehensions are entertained by many in this vicinity that the Lebigh Valley Company will shut down and with what result is obvious to our readers. We hope the tumor will prove to be without foundation or fact for a suspending of this time would.

Another quasar and detailed each owing to the summerous enemies that he has made in distribute on thought that he will be defeated, owing to the numerous enemies that he has made in distribute on the office. Mr. Asher Barbed in thought that he has been iurking in the partonage of his office. Mr. Asher Barbed in the green performed, but she considered herself his wife all the same, and being asked what she did more pretical that she had found another gentleman, a Southern planter, whom she adopted as a husband, with as little that the door-keepership will go to the South Cheesboro. There is considerable money involved in the fight, and the lawyers are by no means anxious to have the battle decided as long as a dollar remains.

As I mentioned at the beginning of this letter she did not pretend that any ceremony had every short time age. Their lives ever since in though that he will be defeated, owing to the unmerous enemies that he has made in distribute that the house, in the present time is thought there seems to be but little chance of his charge of the House, is though the most active candidates for the place. Horrors, how fearful and they seem that of sections of the House, is the same and in distribute that the will be defeated, owing to the submission in distribute that he will be defeated, owing to the submission in distribute that the will be defeated, owing to the submission in distribute that the will be defeated, owing to the submission in distribute that the will be defeated, owing to the submission in distribute that the will be defeated, owing to the submission in distribute that the will be defeated, owing to the girl's mother appeared in court to back up her daughter's sut, and swore point blank that is not up to the full requirements of the demand made over two months ago. The ultimate result of this months ago. The ultimate result of this daughter's the beginning of the letter was Count Cheesbore's daughter, and this week the girl's mother appeared in court to back up her daughter's sut, and swore point blank that is a candidate for re-election, it is generally thought if, Donelson, the present incumbents the young lady in question was the veritable daughter of the Count, and this week will be made over the sciention of a doorschept. The present is a candidate for re-election, it is generally though iff. Donelson, the present incumbent in the girl's mother appeared in court to back up her daughter's sut, and swore point blank that is a candidate for re-election, it is generally though iff. Donelson, the present incumbent in the principle of the court incumbent in the present incumben sion at this time would prove lamentable to the employes of the shops-many of whom with large families and much advers-

themselves to a few millions by advancing the price of coal. To the poor workingman who has to pay an increased price for this necessity the question naturally arises "by what an hority do these monopolists rob us?" And when he investigates the of a protective tariff, and the question naturally arises, "Who is protected?" To a man who has to pay an increased price upon an article of necessity whenever it suits the whim of a dozen men the answer is an easy one. The day of judgment for these public plunderers is not far distant.

Figure 1. Now that the old man has been promouned perfectly same by the courts—it is a fair presumption that the cousins, who tried to put him in a lunatic asylum will not get much of the same familiar faces appear, with the same anxious and hopeful expression upon their faces.

It is probable that the citizens of Washington will soon score a victory in their contest with the same familiar faces appear, with the same anxious and hopeful expression upon their faces.

It is probable that the citizens of Washington will soon score a victory in their contest with the same anxious and hopeful expression upon their faces.

It is probable that the citizens of washington with the same anxious and hopeful expression upon their faces.

It is probable that the citizens of washington upon their faces.

York, more shattering than any the party has let received, and adds that "as goes New York in 1887 so it will go in 1888." The Count bought the entire lot, and put them in a conspicuous position in his house in New York. New York in 1887 so it will go in 1888.

But, then there is no reason why New and from that time until his death every article York State should not go Democratic in the purchased, whether of furniture for his house his shirts, his carriages and the harlass, even as it has gone in the past six years. True, the Republican press incline to place and quote New York as a pivotal State when, in fact, the rank and file of the whole people vote Democratic by a large majority. If the result of the next presidential election depends entirely on New York State, which we doubt will be the case, then Cleveland will be inaugurated in the past few days has had its effect upon every one. Even the President its effect upon every one. Even th Case, then Cleveland will be inaugurated president in 1889, and the only thing to prevent it, says an eminent Republican authority, will be a financial panic such as authority, will be a financial panic such as the financial p this country has never yet experienced.

The miners are still out in the Lehigh coal region, and although the eleventh high coal region, and although the eleventh young lady appeared in court, claiming that she expected that as usual, the most stubborn fight week of the strike has passed they are as was Count Cheesboro's daughter, and this week will be made over the selection of a doorkeeper.

whom with large families and much adversity have been unable to law by for a rainy day a sufficiency of the necessary to tide them over several months suspension.

Is now about eighty, had the mistortune to account the mistorian of the mistorian, to Mr. Charles Carroll, or a hundred thousand dollars. His wife died a few years ago, and having no children he was left almost entirely alone. He gave up his house on the death of his wife, and went to live in the ber of the diplomatic corps, and the announcement of the province to Mr. Carroll was a generally believed that the young lady was soon to be married to a prominent member of the diplomatic corps, and the announcement of the province to Mr. Carroll, or a province to Mr. Carroll was a general treatment of the diplomatic corps, and the announcement of the province to Mr. Carroll was a general treatment of the province to Mr. Carroll, or a hundred thousand dollars. THE COAL BARONS RECENTLY HELD A back of his store on Vesey street—seeking occasmeeting, says the Newburg, N. V., Regisional recreation in the family of a friend whom ter, and resolved that they would put their the had known for many years. As soon as some ter, and resolved that they would put their the had known for many years. As soon as some the grandfathers house with Mr. Carroll, esten the first fitteenth cousins found out that he had stilly for a walk, but instead, they took the train stilly for a walk, but instead, they took the train stilly for a walk, but instead, they took the train stilly for a walk, but instead, they took the train stilly for a walk, but instead, they took the train stilly for a walk, but instead, they took the train stilly for a walk, but instead, they may be a soon as some the stilly for a walk, but instead, they took the train stilly for a walk, but instead the still t noney they began to be worried for fear the old tool might make away with it all, before they could get a hack at it, so they applied to the courts to have his mental condition inquired in seekers in the various department seems to be a general impression. o. The old man fled and took refuge with the friends, who had shown him the only friendship s had ever known since the death of his wife. rob us?" And when he investigates the subject he finds that they do as they please, keeping the old man under restraint; but he because they have the protection of a high personally appeared in court and swore that he tariff upon coal, under the guise of an "inwent to his friends for protection, and because course pathing can be done but to real the course pathing tar.ff upon coal, under the guise of an "inse wished to escape the brutality of his so-called
fant industry" needing the fostering care
relatives. Now that the old man has been proling daunts them however, and with each success

Lehighton has advanced with woxderous strides during the past few years. but there is yet much to be done before our borough can be truly classed as a substantial self-supporting town. There are but few of our citizens who do not fully understand this, and the too, will soon recognize the all-important fact that unless manufacturing enterprises are located here the borough will soon be at a standatil. There is no denying the fact that Lehighton possesses unequalled facilities for manufacturing purposes, and we incline to the belief that if a live Board of Trade were to take the welfare of this borough into heir hands, parties contemplating entering into Ellen Terry and his English company had opened at the Star. As an acting piece, Faust has not ed in occupying. The Commissioners of the Di hands, parties contemplating entering into an indust.ial business could be prevailed upon to locate here. Suppose our live and upon to locate here. Suppose our live and parison justly; we have built up our conception of Goethe's incarnate devil from the operatic representatives of Gonoud's brilliant opera rather

publicans of that State managed to secure
a majority of the big offices—Senate and
Legislature. One of our esteemed contemporaries, the Dover N. J., Index, remarks that the Jersey "leaders must have marks that the Jersey "leaders must have been very sleepy," and asks "where was obliquity has seldom been seen. It is bad enough his majesty but the clownship is real. The box-McPherson, Abbet, Green, Kelsey, Little, Krueger and the rest?" At this distance we incline to the belief that they were induging in an adjustment of personal political matters, with what result is obvious.

According to the Beport of the Clored distance and increase of nearly \$0,500,000 within the continuous and increase of nearly \$0,500,000 within the continuous and vanderbits, sail in:

being shamed to religously believe that lying the proper things to do. his case is hopeless. This appears to be the case is hopeless. This was too much, for instantiating and tearing of the convinced, so he says, that peopte don't get rich now-adays in the old fashioned ploiding way—so he takes the short cut of swindling, and lands in States prison at twenty-seven. Come, young gentlemen, you who turn up your aristocratic noses at the old fashioned ploiding way—so he takes the short cut of swindling, and lands in States prison at twenty-seven. Come, young gentlemen, you who turn up your aristocratic noses at the old fashioned ploiding way for your houses fathers, you who are interested in rural affairs, on application to the Rural. New York-but the clownship is real. The bor of his excellency was aroused on Saturday, the 19th inst., when a poor teamster was following, at a proper distance, a street car, and activities, at a proper distance, a street car, and activities, at a proper distance, a street car, and activities and the proper distance, a street car. Onc. Round House, Bank Street, Lehighton, Fa.

Onc. 12-ins.

I ANNOUNCE THIS WEEK THE ARRIVAL OF

ROYAL - STOCK - FOOD! It is put up in 12 lbs, muslin bags and sells for 75c, a bag-u tin-cup included. I bespeak for it good sales, and would advise

all who have stock of any kind to give it a trial. I have also received and have on exhibition an entirely new article in the shape of

TO THE HOLD BY BY ADED ?

It is made entirely of cast-iron bolted together firmly: is ad mirably suited to put on the roof of a house as a chimney, being both ornamental and useful. By its use you avoid the risk of falling bricks tumbling on your head or breaking the roof, of leakage around the chimney and of having a house minus a chimney after every little storm. The price is no more than it will cost to put on a brick one and it will out-wear half a dozen of the.

A Full Line of HARDWARE on Hand! Plenty of COAL in Stock and More is Coming. Your Orders Respectfully Solicited.

SAMUEL SEILER.
