Office of Rochester Brewing Co.,

ROCHESTER, N. Y., May 12, 1884.
It having been for some time urged as an argument against the use of malt liquors, that they were unfit for use by reason of adulterations, we beg to state that the Lager Beer manufactured by us is a Pure, Healthful, Unadulterated article.
For the Invalid and the Nursing Mother as well as for those who simply use it as a beverage, it is a light and nourishing stimulant. Lager Beer has accomplished much for the cause of temperance, in weaning many from the use of the stronger drinks, and thousands all over the land cheerfully testify to its wonderful effects in building up the Enfeebled Constitution.

An analysis of our Beer has been made by Professor Lattimore of the Rochester University, a gentleman whose name is sufficient guarantee of the accuracy of any statement he may make. We can also produce the affidavit of Mr. Frederick Hodecker, our head brewer, which must certainly set at rest all doubts that might exist in the mind of any person.
Furthermore, we will pay \$1000 to any one proving that our statements and claims are not entirely true.
Very Respectfully,
The Rochester Brewing Co.
THOS. J. BECK, PROP'.
OF THE ROCHESTER BOTTLING HOUSE, Lehigh, Pa.
ALSO, AGENT FOR
The Rochester Brewing Co.'s LAGER BEER.

OF INTEREST TO FARMERS.

FRESH CUTS FOR JANUARY.
For many years it has been an unaltered problem for us, how to keep a full supply of apples for family use until May or June. Just at the time when their flavor is most pleasing to the palate, and their mild acid most acceptable to the stomach then clogged with meat and grease, the supply always gave out, decay having made unfit for use what was not consumed earlier in the season.

AS WE CLIP HUMOROSITIES.

— A man without self restraint is like a barrel without hoops, and tumbles to pieces.
— How many hearts are eaten out in longing for what they have no power to reach.
— If you would never have an evil deed spoken of in connection with you don't do one.
— He who thinks he can't win is quite sure to be right about it, for he has already lost.
— Strength with men is insensibility, greatness is pride, and cantonness is indifference.
