#### IN THE WORLD OF LABOR

vocate Man -Electricity furnishes employment for 5,000,000 people.

-There are 12,468 ovens in the Conneils ville coke region. -The Bryden horse shoe works at Catas-

augua is full of work. -It is expected that navigation on the ana! will be opened during March. -The new underwear factory at Ashland will employ three bundred hands,

-The Iowa barbed wire works at Allentown paid out in wages during last year \$129,305.13. -The Minneapolis Labor Union has de cided to boyco t Pennsylvania coal mined

by non-union men. -During 1887, 110,000 dozen pairs of Knitting Mill, of South Bethlebem.

-The Brakemen's Journal says that the reason so many brakemen are injured on some roads in coupling cars is that brakemen are cheaper than bumpers.

-No. 3 bending furnace of the Reading l'ube Works has shut down for lack of orders, and the socket department of the works will also close for the same rea

-A company of Luzerne county capital ists have leased the coal land on the Broad Mountain near Silver Lake and will prove nd develop them as the milder weather

-The directors of the Lehigh Valley car verks at Stemton expect to receive a conract for 500 cars from the New Jersey Cenral railroad. The works are running to —Graver's store is headquarters for dry good heir full capacity, employing a hundred groceries, provisions. Prices very low. Before unds.

-The trade between this country and Australlia is growing better. Firms that are enga ed in it report that it has quadupled since 1865. If our government did envilling at all for our carrying trade, it would rank as one of the most important eatures of our commercial relations.

-South Carolina has had a steady growth nce 1880. The value of manufactures as increased by \$15,200,000 and 1193 manefacturies have been established, employ ne nearly 19,000 persons. The value of he State's products has increased from \$70,000,000 in 1880 to nearly \$102,000,000 n 1887

-A Boston statistical says that \$1 will my as much of the necessaries of life today as \$1.50 in 1875, \$1.32 in 1855, 91 cents in 1845 and 1.19 in 1825. In other words he purchasing power of \$1 is nineteen per ent. greater than it was in 1855. A dollar will buy more to-day than in most previous periods in the history of the nation.

-There are three great authracite coal nining regions in Pennsylvania-in the schuvlkill, Lehigh and Wyoming Valleys respectively. They cover 450 square miles of territory, give employment directly to 105,000 men, and produce annually about 5,000,000 tons of coal, though the product aries grea ly even in these big figures.

-Father Douahue, a Catholic priest, o Charleston, Il ., claims to have discovered he art of making Green fire. He says: "It s the explosive of the future. It will destro armies. It will overthrow governments. It will revolutionize war. It will hange the face of the world." Another of his discoveries he calls carbonated glycerne. It is made the same as the Green fire with the addition of pine gum.

People as They Come and Go. -Mr. and Mrs. Conrad Walter, of Lehigh

t., spent Sunday at Easton. -Miss Ella Moulthrop, of Allentown pent Sunday with the folks at home -Miss Ella Clauss has returned from a risit to her brother at Great Bend, Pa. after a pleasant visit to friends at Wilkes-

PACKERTON NOTES AND OPINIONS.

ly Topics. -Despatcher Harleman and Forwarding Agent Williams are again at their posts. -John Scholl, injured some time ago in the yard here, is again at work; his escape from death at the time was miracalous. -We stated in our last letter that this John Kreiderweiss, of Lehighton, circulatlown politically was controlled by the K.of |ed here on Wednesday.

The late election does not verify this.

There is still a chance for a straight out Republican and Democrat. -There is considerable complaint as to the management of our public schools. This district pays large salaries, and should have good schools. If there is good reason for complaint, the matter should be brought to the notice of the school board.

-Thomas J. Harleman, school director elect, profited by the advice of last fall and nesday. secured a cutting of the new grape grown by county Treasurer Dolan; result, full crop. Any others desiring, can obtain the same variety, Mack, our genial Post Master, en-Joys the result.

-The Philadelphia Press dreads the hence his stirring effort to prove the reverse. The Democratic party have learned from past experience and propose to profit thereby. There will be no more suicidal ominations for the present at least.

-The result of the election on Tuesday was as follows: Judge of election, Wilson Bitner; inspectors, Alfred Mertz, George Hallman; school directors, Thomas J. Harleman, Frank Meisel; auditors, Lyman McDaniel, Wm. Angle; assessor, John W. Koons; assessor in registry, Gus. Lang. jury commissioner, to fill the vacancy kamerer; overseer of poor, Leopold Myers; supervisors, Samuel Eyert and Harrison lams.

-It is, perhaps, unfortunate for Attorney following officers on Tuesday: Constable, H. P. Stroh that he sought an election to office, on Tuesday, no good citizen desires to anto resume a worthy position is commendable, and should, and no doubt will, recan, and will, yet do honor to himself and ing. above the prothonotary office.
