About Dress Shirts

A shirt to be popular should tilt well; be comfortable and durable.

The DAYTON DRESS SHIRT is be yond a doubt the most popular shirt in the

Following are the strong points in favor

of this superior shirt: st.-The independence of action of the Body, Yoka and Boson, makes it impossible to break or wrinkie in the boson in wearing, and secures a PERFECT FITTING NECK.

and.—The manner in which the Bosom is fast-sand to the body, together with the re-en-forcement, prevents it from cracking off, therefore making it more durable.

ard.--It is made of Wamsutta Muslin, has THREE-FLY SOLID LINEN BOSOM and double stitched yokes and facings.

The price adds greatly to the popularity of the shirt.
