THE DAVID BENNET HILL PRESIDEN tial boom confines Itself to boomlet size, shekels for a rainy day he resolved that he just been kicked out of the Board of Public New York and the Sun. Davy B. may be elected president-not this year, of course but some other year; say in 1892.

THE DOYER (N. J.) Index comes to hand this week enlarged and beautified. The Indez is the spiciest and most widenote the success of Brother Hummel and trust that it will continue.

THE Star OF NEW YORK IS ALL WRONG. Samuel Randall is not politically dead. He is the greatest Pennsylvania statesman today, he ranks next to Blaine in the United five white stones in God's acre marked the in infamy, that got a million out of old States. He is able, brilliant and capable memory of dear departed love. Mr. Mor- Jake Sharp on the Broadway railroad deal. as a statesman; as a politician, well, what ris understood that the widow had property. At the very last moment it was alleged

varied but slightly.

and trusts from the pen of Hon. W. M. Rapsher appeared in our issue of last week. It proved as highly interesting to our readpreeminently testifies the honorable gentleman's fitness for public office. Would that we had more such men.

INDICATIONS POINT TO A LIVELY AND vigorous campaign; the Republicans and Democrats are organizing and preparing in various ways for the coming contest. In the State of New York alone the Republicans have one hundred and thirty-five clubs, with more coming, while the Democrats report almost the same number. In this State party organizations are being perfected, as is also the case in the Western

IT IS ALMOST A SAFE CONCLUSION TO say that no revenue reform measure will be time, however, the tariff results keep filling up an overflowing treasury.

THE NUMBER OF LEADING REPUBLIcans who have declined to become presidential candidates is large. General Sheridan's declination is plain and positive; he be elected and George Washington Childs in the gift of a free people, should be ignored by such brilliant men is strange almost to insane ridiculousness

THE STRIKE OF THE LOCOMOTIVE ENGI neers on the Chicago, Burlington & Quinev railroad promises to be the most important in the history of strikes. The brothcertainly in that time they have learned a been a blessing. success by a correct system of procedure.

The wed- York, a department the patronage of which late Generals Hancock and McClellan. The ding took place, and a weak had not passed was worth many millions, Mr. Squire giving whele country resents the uncalled for away when Mrs. Morris began to realize his written pledge to do the bidding of columny heaped on the departed heroes by that she had been deceived; for instead of those who had secured him the office. this bigoted, loud-mouthed partisan patriot. a pony shay, sealskin sacques, diamond When Mr. Squire found himself serencly Cleveland, McClellan and Hancock will live rings and a brown stone house, she found in the saddle he repudiated the promises in history when the name of Ingalls is for- herself in two back rooms, having a lively he had made, and also the men who had race to keep even with the batcher, the elevated him, and then the fun commenc-baker and candlestick maker. All of her ed. But sharp as he was he made no A CANYASS MADE RECENTLY AMONG vast experience had availed her nothing; match for the ring. They had him indictleading Republicans, of this State, as to a her last choice was ten thousand times ed, and on appeal to the Governor he was preference of presidential candidates, 1e- worse than her first, for in addition to want kicked out of office. At that time there sulted as follows, with the distinct under- of cash he had the scintica in his legs, the were two witnessess alive to prove the constanding however that Blaine would in no lumbago in his back, rheumatism in both spiracy between Flynn and Squire, and case be a candidate: Cameron, 8; Sherman, arms, neuralgia in his head, dyspepsia there seemed to be little doubt that this 7; Depew, 3; Quay, 2; Harrison, 2; Allison. in his stomach, his sight was impaired and precious pair would eventually land in 2; Sheridan, 2; Hawley, 2; Gresham, 1; his hearing was not by any means good, States Prison. There was no getting rid of Lincoln, 1; Edmunds, 1. On the question and it did not take long to impress Mrs the facts, and the only thing that could of second choice the politicians consulted Morris with the fact that she had brought save them was to get rid of the witnessess, her pigs to a pretty poor market. Morris, so they had the trial put off for the last THE SECOND ARTICLE ON MONOPOLIES if not sick, was grunting all the time. Notand trusts from the pen of Hon. W. M.
withstanding his numerous afflictions his died; this year the other pegged out. This appetite was remarkable, and about two week the case was called and as the witweeks ago he took a fancy to a dish of green nesses were reported beyond the jurisdictpeas and molasses. Almost everybody ion of the Court a nolle proseque was eners as the first article. The subject was likes sweet peas, but Morris likes them exhandled with logical argument, free from tra sweet, and that dose proved his bete now Mr. Squire is going to sue the city of fear or favor. It is this latter element, a noir, for the next morning after eating the New York for his back salary and his disregard for monopolistic vampires, that peas and molasses he was a subject for a office. Big thing the law, sir; mighty big coroner's inquest. The inquest developed thing! some strange facts. At first Mrs. Morris acknowledgd to having had two husbands before she tackled Mr. Morris; then she owned up to three, and on a more critical OUR PHILADELPHIA LETTER examination to four, and after a desperate struggle the fact was developed that five husbands had preceded Mr. Morris in her affections. Then came another complication. Mr. Morris was said to have a legacy left him in England of \$13,000, and the interest on this money in England was paid him by one Dawborn in New York

ris said he was poisoned; the jury sat on day then truly western endurance is to be him and entirely agreed with him. Was there Rough on Rats in Mr. Morris' green if bad as our brethern along the Miss. valley say that no revenue reform measure will be peas and molasses? It does not matter are to be pitled and connscrated especially much to Mr. Morris now whather there was tive reform element, vice versa, and thereby hinges all the trouble. The removal of by hinges all the trouble. The removal of internal taxes and a legitimate reduction of import duties on such articles as affect the import duties on such articles as affect the ilving of the poor, is what is wanted by the less of the amorous widow's matrimonial internal taxes and a legitimate reduction of the vertice of the coroner's jury is adversed dollars worth of property destroyed and the dollars worth of property destroyed and the damage done to business by virtue of property destroyed and the damage done to business by virtue of property destroyed and the damage done to business by virtue of property destroyed and the damage done to business by virtue of property destroyed and the damage done to business by virtue of breaking communication off with the outimport duties on such articles as affect the import duties on such articles as affect the living of the poor, is what is wanted by the people. But the great and brainy men people are greatly form the last of the amorous widow's matrimonial side world is equal. R. R. trains and consequent traffic had been effectually blocked. At 12 o'clock noon, the following described Real Robert Walp, quite as extradorinary a state of affairs as was exhibited in the case of the widow Morris. Brennan was a gay boy and a snow drifts and blown obstruction that no successful politician and everybody's friend, with a weakness for draw poker, good days. When it is considered that hourly whiskey and a number of Mrs. Brennan's, emphatically refuses to lead a forlorn hope.

Senator Ingalls aspires not to an office to

Senator Ingalls aspires not to an office to

which such men as Grover Cleveland can party and went clad in purple and fine linen. was discovered one cold night last week sitting under a lamppost all covered with will have none of it. Blaine, too, the greatest Republican leader of the century is out of the field for personal reasons. That a sitting under a lamppost all covered with mud, with several big cuts on top of his head, and on his death bed, which ensued trains from New York to Philadelphia and of the field for personal reasons. That a certain (?) elevation to office, the highest in the world has had no way to even run our trains from New York to Philadelphia and at the hospital a few hours afterwards, no less than three wives turned up to claim the body. What in Jerusalem they could want with such a whiskey-soaked reprobate is beyond my ken, and yet they fought for him, and it is now rumored that there are

WE HAVE INCREASED OUR STOCK OF

Samules and estimates sent free. Experienced workmen sent to all parts of the city and country. All goods warranted free from arsenic, perfect, and full length.

Hence we have have been compelled to fit up part of our basement to show WOODEN WARE. This has given us more space in the main room to show our Carpets to better advantage.

500,000 TIMBER Window Shades, at 40 cents, Complete on Rollers.

J. M. GRIMLEY,

Life Saved and Health Re- 804 HAMILTON STREET, ALLENTOWN, PA.
