Were all wise enough to heed this advice in My appetite is voraclous." Mrs. M. V. Bartenson, a world of suffering would be avoided. And, Atlantic City, N. J.

If you suffer from impure blood, scrofula, N. B. If you decide to take Hood's Sarsa-

blood, the weakening effects of the lon old winter, the lost appetite, and that tired ing, all make a good spring medicine abso ely necessary. Hood's Sarsaparilla is culturly adapted for this purpose, and inuses in popularity every year. It is the I must say Hood's Sarsaparilla is the best medicine I ever used. Last spring I had no appetite, and the least work I did futigued me ever so much. I began to take Hood's Sarsaparilla, and soon felt that I could do as much in a day as I had formerly done in a week.

March months in which
