Got a Club. People who use sowing nachines of the "Singer" make will do well to be on their guard. An exchange says: Swindlers are going through the country asking to see sewing machines. If the machine is a Singer they take out the shuttle and put it in their pocket, refusing te give it up unless their price is paid for it. They claim that it is an infringement on their patent. Of course they have no right to do any such thing. But they find plenty of victims.
