She gives an accurate description of a house, but when such a one is reached she always declares it is not the right one. **"Try Ayer's Pills"**

For Rheumatism, Neuralgia, and Gout. Stephen Lansing of Yonkers, N. Y., says: "I was afflicted with a cure for chronic Constipation, Ayer's Pills have relieved me from that trouble and also from Gout. If every victim of this disease would heed only three words of mine, I could laugh Gout from the land. These words would be 'Try Ayer's Pills.'"

"By the use of Ayer's Pills alone, I cured myself permanently of rheumatism which had troubled me several times. These Pills are a cure for chronic Constipation, and also for Gout, neuralgia, and rheumatism, and in all cases of incurable Rheumatism. No medicine could have served me in better stead than Ayer's Pills. Write to Dr. J. C. Ayer & Co., Lowell, Mass., for a free copy of the book, 'Ayer's Pills for Rheumatism, Neuralgia, and Gout.'"

O. F. Hopkins, Nevada City, writes: "I have used Ayer's Pills for sixteen years, and I think they are the best Pills in the world. We keep a box of them in the house all the time. They have cured me of sick headache and neuralgia. Since taking Ayer's Pills, I have been free from these complaints."

"I have derived great benefit from Ayer's Pills. Five years ago I was afflicted with rheumatism that I was unable to do any work. I took three boxes of Ayer's Pills and was entirely cured. I have since used them from time to time, and I can never without a box of them. Write to Dr. J. C. Ayer & Co., Lowell, Mass., for a free copy of the book, 'Ayer's Pills for Rheumatism, Neuralgia, and Gout.'"

**Rheumatism.**

When the soil of the lawn becomes dry and firm enough to allow walking upon it without injury, go over it with a stiff brush, which will take up leaves and other rubbish without pulling up the grass, as a rake would be apt to do. If there are any large weeds, such as docks, dandelions, etc., pull them up by the roots, while the ground is still soft. A very convenient article in this work is an "apud." A home-made one, constructed of an old board and this chisel, fitted with a handle three feet long, is better than those sold at the store. Trim all broken branches of ornamental trees, and prune shrubs, too. Thin them as needed; but avoid formally. Divide clumps of perennial flower roots and tubers with the neighbors. If bedding plants will be needed, push the propagation of geraniums and such things.
