

**"Original Cheap Cash Store."**  
Is it a Wonder Why?  
Many wonder why it is that we are always doing a good business.

**The following are the Reasons:**  
We are constantly offering the Cheapest and Best Values.  
All our goods are selected with the greatest care as to STYLE, FINISH, QUALITY and VALUE.

Through purchasing exclusively for cash we are offered inducements which show time merchants never think of.

Our determination not to be underbid is a guarantee against high prices.

Survival of the fittest, and not the rivalry of the fittest, is the lesson administered by the admirable scrutiny of the people of Lehigh.

The commencement exercises of the Lansford public schools will be held on Saturday evening, 9th instant.

Slatting was visited by a fire on Sunday. A frame dwelling occupied by five families was burned to the ground.  
Rev. A. S. Kline, of the Evangelical church, will discourse to the members of Carbon Castle, K. G. E., on Sunday.

The finest selection of jewelry ever displayed in this section can now be seen at the jewelry store of E. H. Hohl, Mauch Chunk.  
Charles Henry, colored, was struck in the head with a brick-bat on Saturday evening, after a fracas with a Bank street young man.

Ebert, the popular liveryman on North street, turns out the nobbist rigs in this section. Rates are very low; drop around and see him.

There are quite a number of tenant houses unoccupied in Slatting. This is attributed to the scare produced in the town by contagious sickness during the winter.

Guth & Son, the popular Allentown drug goods merchants have a new and important announcement in to-day's issue. You will find it elsewhere, look it up and read it.

The Summit Hill base ball tossers forfeited last Saturday's game to the home side by a failure to appear on the ball grounds. Percy Faust, of Weatherly, who was umpired the game.

Hasleton only has four paid policemen, and as a consequence considerable trouble prevails in that lively old town. Fights, stabbing affairs, murders and robberies are only common occurrences.

Have you subscribed toward the water fund? If not, why? You certainly understand that Lehigh needs such an important improvement. Come, gentlemen, join the team, who have the spoolahs, pay up and look pleasant.

The attention of the people of Summit Hill, Lansford and vicinity is directed to the fact that George F. Huntzinger, of the popular Switchback Restaurant, is authorized by us to receive subscriptions and moneys for the CARBON ADVOCATE.

Williams, the photographer, of Mauch Chunk, still remains at the old stand Corner Broadway and Susquehanna streets, where he continues to turn out first class work. Cabinets \$3.00 per dozen. Go at once as he expects to remain but a short time.

Hazelton is gaining for itself quite a reputation for murders and outrages and the District Attorney of Luzerne county has been obliged to issue warrants against some of its officials for their culpability in the escape of certain criminals who have been allowed to go scot free.

A Gospel Temperance Meeting under the auspices of the L. G. G. T., of this place, will be held in Jamestown on Sabbath evening. Addresses will be delivered by Father Hagan and John Bohm, other exercises by members of the lodge. All are invited.  
C. S. Weiss, W. C. T.

Albert Backer, of town, was convicted in the U. S. court, at Philadelphia, on Tuesday last week, for using doctored postage stamps, and on Friday morning sentenced to pay a fine of \$100 and costs of prosecution, which will foot up that much more. Rather a costly experiment.

Recently Altoona had to pay \$4,000 in damages to a man who was injured by falling on a broken board walk, and Williamsport has been similarly mulcted for an injury sustained by a woman who snuffed a fall on a dilapidated pavement. This is a pointer to our town council. The broken and dilapidated pavements should be fixed.

**A May Wedding.**  
The residence of Mr. Caroline Johnston, in Youngstown, Westmoreland county, Pa., was on last Tuesday evening, May 29th, the scene of a pretty wedding. Her daughter, Mary Monteth, a niece of ex-Governor Johnston, of this State, was married to Rev. Hiram J. Kuder, well-known in this town. The ceremony was performed at eight o'clock by the groom's brother, Rev. J. H. Kuder, pastor of Trinity Lutheran church, of this borough.

Many invitations had been issued, in consequence of which a large number of friends and relatives were present from different parts of the State. The couple left on a wedding trip which will take in Pottsville, Buffalo, Niagara Falls and the Lehigh Valley, whence they will go to Harrisburg which place they will make their home until the re-opening, in the Fall, of the Hagerstown Female Seminary, with which Mr. Kuder is connected.

**A Card.**  
LEHIGHTON, PA., May 30th, 1888.  
Mr. H. V. MORTIMER, Sr., Editor.  
It is with the most sincere and heartfelt feelings that I tender to you and Beretoletto Post of Veterans, my thanks for the hearty cheers you gave me as you formed in front of my dwelling on Decoration Day. It makes me feel that you had not forgotten me as the soldier's friend, in my service as U. S. Examining Surgeon for Pensions from 1869 to 1884, when I was totally disabled by paralysis. Although I sometimes feel as though I were stepping into the grave, with some of my fellow veterans, still, this incident aroused me from my dependent lethargy and told me that the "Boys of many Battles" still remembered me, and it is of them I want to be last forgotten. And it is up there in the "Sweet afterworld" I want to shake hands with them all. Oh, be brave boys, be good boys, and let us throw all our strength into the fight to conquer our last enemy—the enemy of our souls, Satan, and Death will easily succumb. May God's blessing rest upon you—upon us—all, in my earnest and sincere prayer.  
Sincerely and affectionately yours,  
J. N. B. RENNER.

—The decorating of the graves of the dead soldiers was well arranged at the St. John's church on Sunday.  
—Mr. Nathan Gerber has a key and lock which he holds as a relic. It was found where the house was burned down by the Indians, one hundred and eighty years ago.

—A Sunday school was organized at Pleasant Corner High School last Sunday. Officers of the school: Sup't, Wm. P. Creitz; Ass't, James Gorman; Cor. Secretary, Nathan Zimmerman; Treasurer, Frank Smith; Librarian, A. A. Gorman. We wish the school success.

—There has been no change in business affairs during the past week, with exception of work at the Lehigh mines where a two weeks lay off has been ordered in view to restrict the output.

—The Merlon Iron Company's blast at West Conohoshong will go out of flame at June 1, as soon as the stock on hand is worked up. The furnace needs repairs, iron is low and this is deemed the best time to close.

—For the week ending May 19, there was shipped over the L. & S. division of the C. R. R. 113,478 tons of coal, a total for the year to that date of 1,010,000 tons, an increase of 69,292 as compared with same date last year.

—All employes of the Chicago, Milwaukee and St. Paul Road were on Monday 26th of their pay for the first six days of the month to help the company pay damages sustained through the "92" strike. Much indignation is felt of course.

—The Warren Ledger reminds its readers that Russia leather is made in Connecticut; Bordeaux wine is manufactured in California; Italian marble is quarried in Kentucky; French lace is woven in New York; Marcelline linen is produced in Massachusetts; English cassimere is made in New Hampshire; Parisian art work comes from a shop in Boston; Spanish mackerel are caught on the New Jersey coast, and Havana cigars are rolled by the million in Chicago.

**A Well-Known Lehighitonian.**  
Frank P. Semmel first saw the light of day at Neff's, Lehigh, county, in the year of our Lord A. D. 1847. He came to Lehigh in 1864 after clerking for several years in general stores at Slattington and Fogelsville. He was for three years assistant postmaster and Deputy Revenue Collector under the late Thomas S. Beck. He was collector of tax taxes in the Lehigh region, a position of much importance, around which clustered many dangerous possibilities, he being compelled to have armed assistants. For three years following he was book-keeper and buyer for Jos. Ober, proprietor of the Lehigh Iron Packing Establishment. At Weissport in 1880 he was married to a daughter of Judge Heberling, and shortly after originated the firm of J. W. Heberling & Co., now doing business at Mauch Chunk. Returning to Lehigh in 1872, Frank opened up a line of dry goods and hardware business which he carried on successfully for a number of years. During the early part of the 70 decade he purchased the "old tannery property" on Bank street, and erected the brick building now owned by J. L. Gabel. He was twice elected mayor of our little city, and under Sheriff Raudenbush was a deputy, as he also was deputy under Protton, now Mayor; he now holds the position of mail agent on the L. V. R. R. Frank was one of the many who went down in the big crash of 1877. However, since then he has always been up and moving. He will be a candidate before the Democratic County Convention for the nomination of Prothonotary.

**A Mild Summer Predicted.**  
It may comfort many extremely nervous people to learn that astronomers are predicting that the coming Summer will be a mild one. It is thought that there will be but little extremely hot weather, and not so many severe winds and thunder storms. It is claimed by many meteorologists that when there are numerous spots on the sun there is much disturbance on the earth, and more extremely hot weather than when the sun spots are not so numerous. Every eleventh year the spots almost disappear, and this is the eleventh year. It is claimed that these spots indicate great internal disturbances and tornadoes on the sun, which causes the sun to send out more heat.

**A Twenty Years Experience.**  
770 Broadway, New York, March 17, 1886. I have been using Allcock's Porous Plaster for 20 years, and found them one of the best of family medicines. Briefly summing up my experience, I say that when placed on the small of the back Allcock's Plaster fill the body with nervous energy, and induce fatigue, brain exhaustion, debility and kidney difficulties. For women and children I have found them invaluable. They never irritate the skin or cause the slightest pain, but cure sore throat, croupy cough, colds, pains in side, back or chest, indigestion and bowel complaints. C. D. Friedrichs.
