other can we get tariff reform. Special to the CARBON ADVOCATE. BROADBRIN'S N. Y. LETTER. A little ever a week ago New York and Brooklyn were in a biaze of glory, for a large number of local patriots and states-men in both cilles were about to depart for the Great West to perform one of the most men in both eitles were about to depart for the Great West to perform one of the most important duties that can devolve upon an American citizen. A gay and gallant look-ing body of men were they. Every man of them had a new spring suit, and a new white tile, a white neck tie and patent leather shoes, and a natty walking stick which they carried at shoulder arms. A which they carried at shoulder arms. A clean shayen, cold and coloriess as mar-colored handkerchief peeped out of the side ble-not a lip quivered, not a muscle moy-ting the desired permit to construct the ele-vated road is slim. breast pocket, and a dandy little boutonaire ed, not an emotion was visible. Why are breast pocket, and a damby fittle boltonarie lent a flavor to the whole which was per-all eyes turned towards him? What can it fectly stanning. There was much rivalry mean? People nod and whisper to each Mint, when he arrived at his office on the fectly stunning. There was much rivally in the different delegations,—the County Democracy and Tammany Hall in New York and the Kings County contingent in Brooklyn. While they did not make the lavish display of wealth of the other two delegations, there is no question but in quiet aristocracy of appearance, the Kings County boys took the cake. One delegation quiet aristocracy of appearance, the Kings
County boys took the cake. One delegation
from New York represented eighty-office
holders, and they were attended by thirtytwo saloon keepers who were expected to
look after the morals of the delegation, as
well as their spiritual welfare. Nothing
could be more marked than the difference
between the departure and return of the
Democratic hosts.
They went away with the flush of victory,
drums beating and colors flying. They
blood, inherited perhaps from 'some old
savage thousands of years ago, which crops
out from time to time in spite of our best
intentions. Everybody goes to the taces
here; clergymen who love a good horse, and
there are lots of them, often look as though
they would like to take a flyer on the winners. I don't say theydo, but they look so,
of bibles, and forty-two of Moody and
Sankey's bymn books on Norfolk's last

name of Crosby. A son was born to them, and then for the first time the father of young Pennell was informed of the marriage. Dr. Pennell was furious and repaired Special to the CARBON ADVOCATE. at once to the poor rooms where the young OUR PHILADELPHIA LETTER mother lay unconscious with her intant be-

side her; he took the child away and she never saw it after. They told her the child was dead, and as soon as she was able she returned to her home, and from that time to the day of her death she never set eves on her husband. Dr. Pennell induced his daughter-in-law to go to a distant western State, and there unknown to her parents she procured a divorce. Her husband in the mean time had graduated with high homor, and was appointed assistant Rector of Trinity Church in New York, and from there he was appointed to the most fashion-able and wealthy Episcopal Church in Newnever saw it after. They told her the child able and wealthy Episcopal Church in New- death. Fire and brimstone on her without select the Republican candidate. ark, New Jersey. The child was placed with a poor family, and for five months Dr. Pennell paid its board—then the family meved to Anstralia, and the boy was put in charge of a Mr. Rentz, a poor shos-maker. While Doctor Pennell lived he paid something towards the boys support, but at his death the payments ceased. The Bav. Robert Pennell married and, surround-ed by a loyely family, and the idol of his congregation, his lot seemed as near per-fect happiness as it was possible for man to be. Tears rolled on and Mary Schopprell became a matronly woman, beloved and here was the solar of the second headly woman, beloved and here are anatronly woman, beloved and here are anatronly woman, beloved and here are are arbitrary for the forman to be. Tears rolled on and Mary Schopprell became a matronly woman, beloved and here are the part of the second headly woman belowed here all who where the same to be the second here all who where the solar of the second here all who where the same are apparently looking to a possible concentration on Harrison, ark, New Jersey. The child was placed end. Such is a Mrs. Mary J. Whiteling. The Times .- The Republican Convention became a matronly woman, beloved and belonging to-a human being. This has to a became a matronly woman, beloved and belonging to a human being. This has to a possible concentration on Harrison and if Gresham's name has come into pro honored by all who knew her. She was known as sunt Maryall the country around, and her life was passed in blessed deeds of charity, for she was indeed a ministering anget to the poor. Thirty years passed by, and with her secret safely lodged in her breast she died mourned by all who knew her. She left her property all to charity as she had no direct heir that she knew,—the yalue of her estate being about sighty the speech of David B. Mill at the Tam.

these wondering what in thunder had happened to their hats which had suddenly grown two or three sizes too small, and which had sent Appolinaris and Congress and Congress and Congress a geneller's window, and I saw a magnificent will as much. The other day I was passing a jeweller's window, and I saw a magnificent illustration of the beauties of cirl as model tribute to genius, I said to myself. "Fool that you are, Broadbrin, why did not you cractice on the pission of the postine tillustration of the beauties of cirl as model tribute to genius, I said to myself. "Fool that you are, Broadbrin, why did not you cractice on the pission of cirl as model in the penitentiary. Alas, alas, alas, who can tell!
