Pink Tea Festival.

The Chataqua Literary and Scientific Circle of this town, with the assistance of the youthful members of the Young Men's Christian Association, and for the benefit of the Y. M. C. A. circulating library which has proved such a grand success, will in several weeks hold the only original Pink Tea Festival of the season in Gabel's Hall. What is raised by the Pinks will be devoted to purchasing new books, and the public knowing the success of all the undertakings of the C. L. S. C., may be assured of a good time in store. Quite a number of original and unique features will be introduced to the public at this festival - but we will say no more - only keep your eye on the Pink Tea.

Poho Poco Park.

On last Saturday afternoon we journeyed to the picturesque little town of Parryville, on invitation from the genial Dilline Snyder, proprietor of the Iron Exchange Hotel and the beautiful Poho Poco Park, lately opened by him as a summer resort and place of amusement. Under the guidance of the genial Dilline we ascended the mountain, from the summit of which there is a splendid view of the surrounding country. The Park is fitted up with swings, hammocks and a large pavilion for dancing. The evening, innumerable shady walks over the mountain and along projecting rocks we adjourned to the hotel which is being nicely refurbished for the accommodation of guests. There is no doubt but that Poho Poco Park is destined to become a popular summer resort, for Dilline is the right man in the right place.

The Sentiment Crystallizing!

All Democrats seem to heartily favor the change.

Let the Convention Meet Here.

The sentiment in favor of holding the Democratic Convention in this booming borough is crystallizing. We gave last week the expressions of prominent Democrats on the subject and more follow to-day:
What say the Democrats to this? Lehighton town wants the Democratic party to hold their nominating convention this Fall in that place, and the Advocates in its last issue promises the convention a good meeting hall, plenty to eat, plenty to drink and an increased Democratic majority for Cleveland, Thurman, and the whole ticket. Lehighton seems to be in dead earnest. - Weatherly Herald. Of course we possess the advantages to insure a first-class time for the County Democracy, and for that reason we want them to come here.
As stated last week our facilities cannot be disputed, so why not come here? Rules governing the County Democracy may call for the meeting to be held at the county seat, but at the committee meeting before the convention an amendment to the rule can easily be effected. By all means let us have the convention.
A Mauch Chunk politician favors Lehighton providing it meets the concurrence of the county committee. An other sees no legitimate reason to oppose the change.
From the Democracy of Weatherly no serious objection would be forthcoming, according to a leader's view of the matter. At Lansford many Democrats were interviewed and advanced no serious objection to the contemplated change of place in holding the nominating convention. All over the county Democrats prominent, to more or less extent, in party circles have been interviewed on the matter and have given favorable expressions. We are pleased to note the unanimity of feeling in the question, it shows conclusively that the County Democracy is united and desires to have the strong hold of Democracy. Let us have the convention.

Milk School Commencement.

The fourth annual commencement of the Lehighton High School, on Saturday evening last, was a grand success. Friend's Opera House was literally packed with Lehighitons and people from the surrounding towns and villages. The stage, which was occupied by the graduating class, Prof. J. M. Roberts, F. P. Lutz, Rev. J. H. Kuder and County Superintendent T. A. Snyder, was artistically arranged; above the stage in large white letters and in a frame of evergreens hung the class motto: "Thus endeth our first lesson!"

The exercises opened with a delightful musical selection by the orchestra and Rev. J. H. Kuder followed with prayer. The subject, "Overcoming Difficulties," was delivered by Miss Mamie Gabel. The composition was replete with gems of thought and was exceedingly well received by the audience. A duet, "Moonlight on the Rhine," by Mrs. T. A. Snyder and H. S. Diehl, was rendered with much effect, the prolonged applause following its conclusion proving its appreciation. Oration, "Map the Creature of Circumstances," by Ed. J. Knitz, reflected much credit on the young orator. The subject was handled in a pleasing and dignified manner. Oration, "Endeavour," by Francis E. Bachman, set forth in a terse manner the greatness of our domain and the manner of its attainment. A solo, "She's Slightly on the Mash," was rendered by the people's favorite, Katie Durling, with characteristic effect, and resulted in an encore for the pretty little singer. An address by F. Pierce Lutz, secretary of the school board was replete with practical suggestions concerning public schools, their aims and purposes. Superintendent Snyder followed with the interesting fifteen minutes talk on the public school system, its growth and importance. The valedictory, "The Practical in Life," by Miss Mary Dreiblebs, proved exceedingly interesting and reflected much credit on the young lady. It abounded with practical illustrations and sound common sense. The presentation of diplomas and remarks by the principal, Prof. J. M. Roberts were well received. On behalf of the class Sgt. Snyder, in a neat address, presented Mr. Roberts with a handsome gold pen and pencil. The evening's entertainment concluded with a solo by Mrs. T. A. Snyder which was loudly applauded. The Lehighton Orchestra was present and rendered some very excellent musical selections during the evening.

In conclusion we would add that Prof. J. M. Roberts and his corps of able assistants are to be congratulated on the successful termination of the late school term. The schools have advanced and are on a footing of comparative equality with the push and energy of the principal. The new school system is a glorious system; long may it flourish.
