Clergymen ought to be very careful in the choice of language, or serious results may ensue." My brethern," said one lately, "I will now pass," and before he could proceed, a sleepy hearer in the front pew, suddenly started into life and cried out, "Then I make it spades, and play it alone."

The question is asked us if there is any thing that will bring youth to women! Yes indeed. An income of say \$20, 000 will bring any number of

We are apt to think that wealth grows more riotous in these matters, but this is a sad blunder. The riot, profusion and luxury for the few lie behind us, and the occasional instances are only survivals. Meanwhile the level sizes, and here or elsewhere, extremes meet. I question if the best work of the table is not done by those without boundless means. For the Old Diner is glad to remember that the crowning triumphs of the chefs of emergency-like the great 5000 Book Agents wanted to sell master of his art who accompaied Alexander of Russia on his campaigns and dignified a little Pol-ish villiage for all time to come by making veal cutlets from chicken breasts, with a white sauce, when the autocrat thundered for veal and the village market rained chickens and nothing else. Like the cook who gave us, for all time to come, chickens a la Margeno in the Austrian camp through which Desaix had ridden to his death so late in the afternoon. Or like the great Caeme himself, who, when those stormy days were over and Talleyrand asked him to end the long series of dinners at the great Congress at Vienna by some original, but French feat, served snails in vine leaves-the peasant delicacy of the childhood of both in the
